

Coffee Chat

with the Principal and Mrs. Delk

Coffee Chat... what's that?

"Coffee with the Principal and Mrs. Delk" is an informal setting offered to parents of a student on an IEP. Families are invited to join via Zoom and partake in education opportunities, casual conversation and Q&A. Our goal with these meetings is to connect parents, the school site, school-based programs, and to hear from parents within each school community. As your date approaches, your Principal will be sharing more information, including the Zoom link.

More Information

For more information, please contact Grace Delk, Director of Special Education at (562) 799-4700 x 80420
