Please print legibly. Thank you.

Students participating in the third-year, Early Graduation Option are given the opportunity to enroll in college, enlist in the military and/or start employment full-time one year earlier.

- a. Students must have earned a minimum of 15 credits at the end of 10th grade*
- b. Students must have met Student Service Learning requirements*
- c. Students must have met Maryland High School Assessments requirements for Algebra, Local Government and Science by the end of 10th grade*
- d. Students must apply by the last day of school for students of their 10th grade year*
- e. Students must register and successfully complete English III for original credit in summer school prior to Junior year*
- f. Students must provide a post high school plan (college acceptance, intent to enlist papers, etc.)*
- g. Students must provide a parent letter supporting their decision to graduate early*
- h. Students will not be included in Senior rank*
- i. Students will not be eligible for Scholars Course of Study Recognition*

I have read and agree to the above procedures for the Early Graduation Option. I am aware of the courses that my child must take in order to graduate one year earlier than their cohort. I will contact my child's counselor with any questions or concerns.
