

Etazo Online

Student Supports Information

Etazo Online now has customized students supports. Only students with the tagged supports will receive those options when testing online.

Only campus or district level users have access to change the support tagging for a student.

Support	Committees That Can Approve Supports			
	RTI	LPAC	504	ARD
Calculation Aids			X	X
Content Language Supports		X	X	X
Spelling Support			X	X
Text-to-Speech	X	X	X	X

To change a support, click on the Students tab from the main Maintenance module. Then, select the Supports button at the top of the screen.

Existing supports will be displayed for each subject.
