

Rubric scoring is integrated into Tango Trends. Users (teachers, administrators) can score student's based on a rubric tab in Trends.

Drill down to the assessment from the main Assessment screen.

Select the Rubric tab from the top of the page.

Select the student(s) from the list. *More than one student can be scored at a time.*

Notes:

If an assessment requires two raters, there will be two records per student. Each rater should only select one of the two records.

If there are two rubric items on an assessment, there will also be two records per student. When the rater selects the student record, they will be able to score both rubrics.

Galloway, Lindsay	Mambo Middle	Curtis, Suzi	05 06	G08	31062374	S	8	Extended Constructed Response
Galloway, Lindsay	Mambo Middle	Curtis, Suzi	05 06	G08	31062374	S	22	Short Constructed Response

Select the **Score** button in the bottom left corner.

If there is an online submission from a student, the bar with the student's name will be **green**.

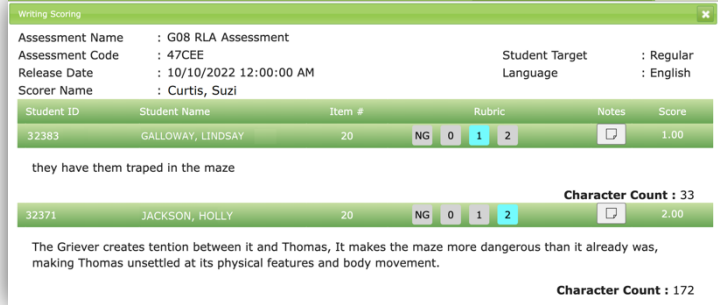

If the student has not submitted a response, the bar will be **gray**.
