Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades, kindergarten through 12, in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, and (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician).

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes:

1. illness or absences for the emotional, physical, mental or behavioral health or safety of the student,
2. religious reasons, including to observe a religious holiday, because his or her religion forbids secular activity on a particular day(s) or time of day, or for religious instruction including any child while in confirmation classes,

7. any child lawfully and necessarily employed and/or is employed and is enrolled in a graduation incentives program,
8. other situations beyond the control of the student or as otherwise approved by the Superintendent.

Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and Board Policy. The program shall include but not be limited to:

The identification of supportive services that may be offered to truant or chronically truant students, including parent-teacher conferences, student and/or family counseling or information about community agency services.  - a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and
 - b. Encourage the habit of daily attendance and promote success.
9. Reasonable efforts to provide ongoing professional development to teachers, administrators, Board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement.

11. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be

consistent with Board policy 7.340, *Student Records*, as well as State and federal law concerning school student records.

- 12. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a chronic truant for his or her truancy unless available supportive services and other school resources have been provided to the student.
- 13. The criteria to determine whether a student’s non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies.
