Parent Permission Needed for Your Student to use Sunscreen at School/School Sponsored Events

**To Be Completed By Parent- Valid for 1 Year**

Student Name: \_\_\_\_\_ DOB: \_\_\_\_\_

Grade: \_\_\_\_\_ Teacher/HR: \_\_\_\_\_ School: \_\_\_\_\_

To reduce the possible overexposure to sun, NYS Education Law allows students who can apply or direct school staff members to apply FDA approved sunscreen products to carry and use them at school/school sponsored events with written parent/guardian consent.

If your student **CANNOT** apply or direct an adult to apply their own sunscreen for them, a licensed health professional must apply it. A provider order and written parent/guardian consent is needed.

My student CAN apply sunscreen by themselves or direct an adult to apply sunscreen for them

- I allow my child or directed adult to apply his/her own FDA approved sunscreen, as needed.
