This Agreement meets the Department of Children, Youth & Families (DCYF) mandate under RCW 74.13.550 through .570 to develop collaborative agreements with school districts. This Agreement also meets the requirement for school districts to develop written transportation procedures as required in ESEA Section 1112(c)(5)(B).

For the purposes of this Agreement, children and youth in foster care are those who are the subject of a shelter care dependency order issued pursuant to chapter 13.34 RCW, including students in licensed, unlicensed, and trial-return-home placements.

A list of school district Regional Education Agreements is located on the DCYF Contracts website:

<https://www.dcyf.wa.gov/services/child-welfare-providers/rea>

1. Purpose

The purpose of this Agreement is for both parties to acknowledge and support the intent of the Every Student Succeeds Act (2015), RCW 74.13.550, RCW 74.13.560, RCW 74.13.631 and RCW 28A.225.350 that children and youth in foster care shall remain in their school of origin whenever it is in the child's best interest. Further, the parties agree to communicate, share information, and coordinate support services that will improve educational outcomes for students in foster care in accordance with RCW 28A.225.360 and RCW 74.13.560.

2. Confidentiality

Information shared shall be limited to that which is necessary for providing for the educational success of the student, shall retain its confidentiality, and shall not be further disclosed except as allowed under state and federal law [RCW 74.04.060; chapter 13.50 RCW; chapter 70.02 RCW; Family Educational Rights and Privacy Act (FERPA); 20.U.S.C. §1232g(b)(1)(L) (Uninterrupted Scholars Act); 34 C.F.R. §99].

The parties shall ensure that only persons with a direct role in case planning for or providing education services to a student under the school district's supervisory authority, and who have a legitimate educational interest in the information, will have access to confidential information pertaining to students in foster care.

3. Planning

The parties shall respectively identify a contact person at the DCYF Region and School District levels. The school district foster care liaison will receive School Notification forms from DCYF Social Service

DCYF REGIONAL EDUCATION AGREEMENT

Specialists when students are placed into care, when a student's placement changes, and when students are returned home. The DCYF Regional contacts will assist with problem solving when issues cannot be resolved at the local office level.

The parties shall partner in an effort to improve the educational outcomes of students in foster care by sharing information and providing opportunities for collaboration and professional development.

4. **Best Interest Determinations**

Children who enter out-of-home care or change placements will remain at the school they were attending unless it is determined to not be in their best interest (RCW 28A.225.350).

Please refer to OSPI Best Practices:

[Best Practices School Selection for Children and Youth in Foster Care \(www.k12.wa.us\)](http://www.k12.wa.us)

The parties shall make every effort to gather meaningful input from relevant parties, such as the child (depending on age and development), Foster Parents/Caregivers, Parents/ Legal Guardians when appropriate, Social Service Specialists, Teachers, School Counselors, and Mental Health professionals. Best interest determinations shall be consistent, whenever possible, with the child's case plan.

Best interest determinations will be made as quickly as possible to support educational continuity. The school district will ensure that the student remains in his or her school of origin while determinations are being made [ESEA Section 1111(g)(1)(E)(i)].

5. **Transportation**

Some students in foster care will need transportation to remain in their school of origin when it is in their best interest. [RCW 28A.225.350](http://www.wa.gov).

- "School of Origin" means the school in which a child is enrolled at the time of placement. If a child's placement changes, the school of origin **must** be considered the school in which the child is enrolled at the time of the placement change.
- Transportation must be facilitated by the student's school of origin. When a student attends school in one district but lives in another, the two districts must collaborate on transportation to school of origin. DCYF will reimburse districts for half of all excess transportation costs.

If DCYF and the school district cannot agree on how to provide and pay for appropriate transportation to maintain a student in their school of origin, the school district will provide services while a dispute is being resolved through the OSPI approved Dispute Resolution Process. To avoid delays in processing disputes, either party may begin the Dispute Resolution Process.

6. **Disputes**

Should disagreements develop regarding any of the above provisions, the Social Service Specialist or School District Foster Care Liaison may use the OSPI approved Dispute Resolution Process to resolve the matter. The OSPI Dispute Resolution Process can be found at:

[Foster Care Education: Dispute Resolution Process \(www.k12.wa.us\)](http://www.k12.wa.us)

DCYF REGIONAL EDUCATION AGREEMENT

The school district will ensure that students in foster care remain in their school of origin while disputes are being resolved [ESEA Section 1111(g)(1)(E)(i)].

7. Term of Agreement

This Agreement shall begin on the date indicated on page one (1) of this Agreement and reviewed every three (3) years to determine whether the purpose and objectives of this Agreement have been met.

The Agreement may be modified either by an Amendment to the Agreement specifying the change, or by an Amended Agreement. Any modification must be in writing and mutually agreed to and signed by the parties.

8. Funds

The parties acknowledge that no funds are transferred under this Agreement, and that this Agreement is for collaboration purposes only.
