NYS School Health Examination Form -- Important Information

Dear Parents/Guardians,

As of January 31, 2021, Physical Exams for school are to be documented on a new health examination form or an electronic equivalent health record form (please ask your pediatrician if the form they are completing on your child's behalf meets this new requirement). Please click on this link for a copy of the form: [NYS Required School Health Examination Form](#)

As per NYS Education Department (NYSED) guidance, no other physical forms will be accepted.

NYSED requires a Physical Exam:

- For all new entrants
- For Students in Grades Pre-K or **K, 1, 3, 5, 7, 9 & 11**
- Annually for interscholastic sports; and working papers as needed
- As required by the Committee on Special Education (CSE) or Committee on Preschool Special education (CPSE).

Please note, if your child is in one of the school-age grades listed above we **MUST** have a current physical on file.

If you have any questions, please feel free to contact your building nurse. Thank you for your attention to this matter.

Sincerely,

Michael Cunzio
Principal
