

BOARD MEETINGS

The Grapeview School District will hold its regular board meeting, scheduled on **August 24, 2021**, via a Zoom link and in-person. The meeting will begin at **6:00 pm** in the school library. **MASKS are required, as per the State mandate, beginning August 23rd.**
Disposable masks will be available.

The traditional meeting format has been altered as per Governor Inslee's various proclamations. One proclamation temporarily suspends portions of the Open Public Meetings Act and the Public Records Act. This video-conference board meeting will be accessible through telephone or computer, via a Zoom link. Please contact Nick Schultek (nschultek@gsd54.org), with your *email address AND phone number*, if you would like to listen to the meeting. Please contact Principal Schultek at least 30 minutes before the meeting. An invite will be sent to your email address prior to the start of the meeting.

Due to COVID-19, comments from the public will be accepted via email, until further notice, at khilyard@gsd54.org. When submitting your comment, please be sure to include your full name, address, and contact information. Please note that your comments will be shared with the board at the next available board meeting and a short summary will be recorded in the meeting minutes. There will also be a public comment opportunity, at the beginning of tonight's meeting, under the agenda item entitled **PUBLIC COMMENT**. The public is allowed **TWO** minutes to address the board members however, the directors will be unable to pursue a dialogue with the presenter(s).

Zoom is a web based virtual platform that is accessible by any computer or smartphone. Please download the app beforehand if you plan to attend our virtual meeting. The app is free, and you do not need to register or create an account in order to join the meeting. Viewers will be able to verbally address the board during the public comment portion of the meeting.

We will be taking extra meeting precautions due to "Zoom Bombing" incidents which are where online hackers have recently been breaking into Zoom meetings and taking over the meeting in addition to posting inappropriate content on the meeting site. Those precautions or strategies include not sharing links publicly, setting the meeting to "private", placing all participants in an online waiting room and then approving their admittance to the meeting as well as restricting content sharing. Thank you for your patience and understanding concerning this matter.
