A Message from CESA 2: Behind the Wheel Registrations Closed in Stoughton

Unfortunately, CESA 2 Driver Education has temporarily closed Behind the Wheel (BTW) registrations for Stoughton School District due to the negative pandemic effects/impact on BTW scheduling effective 12/6/2022. We will continue conducting BTW lessons for teens who were already registered for their BTW by 12/6/2022. We apologize for the inconvenience for this temporary closing of BTW registrations in your district. We will update our website and the school when we reopen BTW registrations.

During this time we are focusing on the students we already have registered for BTW in your district. Our classroom and online course is recognized and accepted by the DMV and DPI as approved Driver Education courses which can transfer to commercial schools for BTW instruction.

Please email us at driversedsupport@cesa2.org if you have any questions.

****Driver Education is a CESA 2 program. Please direct questions/concerns to CESA 2 rather than SHS.***

High School Pickup Guidelines

Reminder: **Parents and taxis are not allowed to park in the bus loading zone, including lining up behind the buses.**

When parents block this access for buses, this prevents all buses from entering and leaving the parking lot, and has made for a few near-contact situations as buses or vehicles try to leave.

Buses have a lot of blind spots, especially near the bus. Having smaller vehicles in the same vicinity of the buses during pickup is a safety hazard.

Do not pull in directly behind the buses in the front lot. Utilize visitor parking, or meet your student on Lincoln Street.

Graduation Orders

Hello Senior Families!

Just a quick note from Midwest Scholastic to let you know that the class of 2023 has received packets regarding graduation (caps and gowns, graduation announcements, party invitations, senior apparel, etc.).

[Here is a short overview video.](#)

On the packets, there is a one-time QR code to enter a student's name as it should appear on their diploma. Please make sure your student completes this. The school staff will be confirming these names and will contact you with any questions.

You can place your order online by clicking the button below. Payment in full is required if you order online. If you order apparel marked with an asterisk, including online orders, your apparel will be available for pick up at our table on order day.

If you have any questions regarding this or anything else with the ordering process, please email Midwest Scholastic at questions@mwscholastic.com.

WHAT IS 988?

988 is the new nationwide three-digit number now available for suicide and mental health crisis, available to everyone in the U.S.

This easy-to-remember number will route callers to the 988 Suicide and Crisis Lifeline network, where compassionate, accessible care and support are available for anyone experiencing a mental health-related emergency – whether that is thoughts of suicide, a mental health or substance use crisis or any other kind of emotional distress. People can also dial 988 if they are worried about a loved one who may need crisis support.

What to expect when you contact 988

The goal of the 988 Lifeline is to provide free, 24/7, confidential, immediate crisis intervention and support. Here's how it works:

- 1 If you call 988, you'll hear a message that you've reached the Lifeline. If you are a veteran, you can press '1' to reach the Veterans' Crisis Line or '2' to reach Spanish-speaking crisis counselors for the Lifeline.
- 2 If you don't select either option, or if you text or chat, a trained crisis counselor will answer. (For texters, you will be prompted to text 838255 if you want to reach the Veterans' Crisis Line.)
- 3 Spanish crisis services are available for callers to 988, and translation services are available in more than 150 additional languages. TTY is available for deaf or hard-of-hearing callers by dialing 711 then 1-800-273-8255.
- 4 The counselor will engage you to understand how your or loved one is impacted and what help you might need.
- 5 The counselor will provide support and share resources and referrals.

In some communities, the crisis line may be able to connect you to additional services or follow up with you to ensure you've connected with care (note: not all communities currently have this capacity).

Additional resources

There are additional resources if you are not experiencing a crisis, but seeking information, referrals and support:

 NAMI Helpline (1-800-950-6264) is a free peer-support service providing information, resource referrals and support for people living with a mental health condition, their family members and caregivers, mental health providers and the public. While the NAMI Helpline allows you to speak with a peer who can connect you to NAMI resources, it is not a hotline, crisis line, or a suicide prevention line. It is available M-F from 10 A.M. to 10 P.M. ET.

The graphic features a large white circle on a black background. Inside the circle is a grey silhouette of the state of Wisconsin with a large white 'UW' logo overlaid. To the right of the silhouette, the word 'WISCONSIN' is written in a grey, sans-serif font, and below it, 'TUITION PROMISE' is written in a large, bold, dark red font. The bottom half of the circle is filled with a pattern of small white dots.

**WISCONSIN
TUITION
PROMISE**

The Wisconsin Tuition Promise strives to ensure underserved Wisconsin students can attend any UW System university without paying tuition or fees. The goal is to increase the number of state residents who graduate with a bachelor's degree – especially first-generation students and those from low-to-moderate-income families throughout Wisconsin – thereby improving individual lives and communities and helping meet the state's workforce needs.

The background is a light brown, textured surface with scattered white snowflakes and green pine branches. The text is centered and uses a mix of bold and regular fonts.
