

Our SCC (School Community Council) will be meeting via Zoom this month. If you are interested in participating on this committee, please contact Mrs. Battle.

As always, we thank you for allowing your children to be members of our learning community. If you have any questions, please do not hesitate to contact us at 801- 481- 4842. Thanks for being a part of our learning community.

Mrs. Battle and Mr. Spotted Elk

Title I

Below is a synopsis of the Title I Power Point that I shared at Back-to-School Night on August 25, 2022.

Parents and Guardians,

I was excited to see so many of you at our Back-To-School Night on August 25, 2022. At that time, I shared that we are a Title I school, and we viewed a slide presentation.

Below is a synopsis of what was on the slides. The entire power point is posted on our website.

Every Student Succeeds Act (ESSA) was enacted in 2015. This act provided school funds and accountability standards for educators in each state.

- Title I is a federally funded K-12 program that provides additional academic support and learning opportunities for students. The intent of the program is to provide additional resources so that all students meet academic standards. Our goal is for each student to reach proficiency or higher and/or experience growth in core subjects.
- Additional Resources are provided to each school. These funds are distributed based on the number of free/reduced lunches. This year, we received \$117,000.00. These funds are used to assist with staffing and lowering class sizes. All our teachers are certified to teach in designated grade levels and subjects (K-8)
- Schools analyze many data sources that include RISE and ACADIENCE to align with state and district academic standards. Teachers use this data to develop strategies and activities that help students reach goals.
- Every Title I school must collaborate with parents to develop an engagement plan/compact. We will send two copies of our compact with students this

month. Please keep one for your records. Sign and return the other one to your student's teacher.

We want:

- The best for our students
- A better future; success in school and life
- Our students to be happy, good citizens, respectful, honest, and hard working
- The best quality of life for each student
- We want our students to be the best that they can be!

Once our School Improvement Plan is completed and approved, it will be placed on our website. You are always welcome to get a copy from school.

As a team, we must collaborate and provide the best educations for our students.
