### ***Katie Hicks (A) Welcome/Agenda:***

Welcomed everyone and presented agenda to guests.

### ***Katie Hicks – Carry over items from Oct.***

Katie Handed out the HB58 plan in Spanish, it was not available last time. Talked with families about the previous years of Land Trust and what that money has gone towards. Addressed issue from last meeting on increased presence around lunch lines and how that has been going.

### ***Katie Hicks – Student safety/digital citizenship plan***

Katie went over the districts policy on internet safety and what the district and IT department do to keep students safe when they are using school technology to access the internet.

### ***Nereida Beltrán – Counselor Data Project***

Nereida discussed the 2022-23 data project counselors are doing. Data will be collected from the Academic Study Skills class to see if it is effective in helping students increase grades.

***Dan Pahl – New Chair Vote***

Mr. Pahl announced that his student was leaving the school and so he would no longer be able to serve as chair for the SCC. He spoke about his responsibilities and the group decided to table the vote until next meeting, to allow individuals to have time to think on whether they could step up and serve or not.

***Closing Comments***

Thanked families for coming and reviewed questions. There are no action items for next month's meeting.
