

CONTESTS FOR STUDENTS

Policy Statement

Although the Trumbull Public Schools will cooperate with community organizations and agencies desiring to sponsor contests in the public schools, these contests must be consistent with the educational purposes and aims of the schools. These contests will be limited to those which can be integrated into the school program without disruption or loss of instructional time for the students and without imposing unreasonable added workload on the staff of the school.

Regulations

1. Contests for students shall be reviewed by the school Principal on an individual basis.
2. All schools shall use the National Association of Secondary School Principals, or the Connecticut Association of Schools Advisory Lists (issued annually and updated periodically) as a guideline for screening contest requests.
3. In any event, an organization desiring to sponsor such an activity in Trumbull Public Schools shall submit its plans to the Superintendent or designee for review and approval.
