SCIS Pudong Campus Tuition and Fees for 2023-24

SUMMARY OF FEES AND CONDITIONS

The SCIS tuition and fees for the 2023-24 school year covers the full, standard school program. The SCIS program includes school provided services, when available, at no additional costs to families. School provided services include transportation to and from school, daily lunch at school (for full-day students), one "startup" set of the school uniform, and for Upper School students (grades 6–12), compulsory travel (China Trips) and use of a MacBook laptop.

APPLICATION FEE RMB 2,500

The application fee is non-refundable and payable when the student's application is completed and submitted to the school for consideration. This fee is not applicable to other school fees but is valid for up to one academic year beyond the submitted application date. No application will be reviewed until this fee is paid in full.

SEAT GUARANTEE DEPOSIT

RMB 20,000

Upon acceptance to SCIS, this deposit (which is applicable to the first semester or annual fee) will secure a seat until the June 1, 2023 tuition payment deadline. The seat guarantee deposit is due for all returning families by March 10, 2023 and is due within ten working days of the offer of enrollment for new families. Once the due date has passed, a seat may be offered to other students in the wait-pool or from our new applicant pool. A refund of the seat guarantee fee will not be granted if the parent/guardian withdraws their child/ren from school, or if he/she is withdrawn due to academic, medical or behavioral concerns that inhibit their ability to remain enrolled in school.

CAPITAL FEE

RMB 20,000

The capital fee provides the needed funds for ongoing school facility enhancements, such as capital purchases, building maintenance, equipment and other projects aimed at school improvement. It is a one-time non-refundable fee paid upon admission for all newly enrolled students to SCIS.

EXAM FEES

It is the parents' responsibility to cover all external exam costs (i.e. SAT, ACT, and IB) as these exams are not part of high school graduation requirements.

ENGLISH AS AN ADDITIONAL LANGUAGE (EAL) FEE

RMB 10,000

The one-time non-refundable EAL fee is charged to students, grades 1–10, who require additional English language proficiency support as determined by the school. In most cases, this fee is charged pre-arrival upon enrollment, and is based on criteria supported through the application materials. In some cases, this fee is charged post-arrival after the student's English language proficiency is assessed. In all cases, students' English language proficiency will be assessed upon arrival. This fee must be paid in full upon enrollment into the EAL program.

If the payment is made by wire transfer, any bank charge will be the responsibility of the payer. If payments are made by credit or debit card, any transaction fee will be the responsibility of the payer. Regardless of payment option, all fees must be settled before the student begins class. Required if choosing Wire Transfer Payment Option

Because wire transfers often pass through several intermediate banks before they are deposited, the process may take several days to reach the SCIS account. It is often difficult and/or impossible to determine the student or family making the payment from the bank notice of deposit.

To ensure that your payment through wire transfer is properly credited, please email SCIS a copy of your proof of remittance to payment@scis-china.org, or fax to 86 (21) 62614639. Please write your child's name, grade, and campus in the subject line of the email or at the top of the fax.
