Dear Parents and Guardians,

Quarter 1 report cards are available now on PowerSchool. You can go to your parent PowerSchool account and select *Grade History* from the Navigation Bar. You will see your child's Q1 grade there. If the course is now finished, you will see that it also appears at the bottom as a Y1 grade, where you will also see the credit awarded. You should also be able to click on year tabs to look at historical grades from previous years as well.

If you do not have access to your parent PowerSchool account, please contact Receptionist Lydia Gray at [l.gray@georgestevens.org](mailto:l.gray@georgestevens.org) or 374-2808. If you want a paper copy of the report card mailed to you, please contact Registrar Debbie Davis at [d.davis@georgestevens.org](mailto:d.davis@georgestevens.org) or 374-2120. All students will be given a paper copy of their report card during advisory this week.

We will mail home report cards at the end of each semester this year. Quarter 3 report cards will be handled the same way as quarter 1.
