

September 26, 2022

Dear GSA Families:

With bear hunting season underway in Maine and other hunting seasons soon to start, I would like to stress that students may not have hunting firearms in their vehicles on campus. This is most emphatically NOT allowed. It is against GSA policy, as indicated in the Student-Parent Handbook, to have weapons of any kind on any GSA property.

Please let me know if you have any questions.

Respectfully,

Timothy J. Seeley  
Head of School
