

September 15, 2022

Dear Parents and Guardians,

The 22-23 school year is off to a great start! Students and teachers are getting to know each other and learning together, and it's so exciting to be able to be (mostly) back to normal. In the great fall tradition, Wednesday, Sept. 21, is Back-to-School Night at GSA. We are thrilled to welcome parents back to campus and look forward to seeing all of you.

Back-to-School Night is a great opportunity to meet your students' teachers and advisors, learn about their classes, get acquainted (or reacquainted) with school staff, and get a sense of what your students' day-to-day lives at GSA are like.

From 5:30-6:00, staff will be in the cafeteria to help with the Ecollect forms and to ensure that all parents know how to update their students' information. Even if your student is returning, you must update their information annually. Failure to do so may lead to your student being excluded from school until the forms are completed. If you haven't yet done so, please update your information on the Ecollect system ASAP. If you need help, come see us at 5:30 on Wednesday.

Also from 5:30-6:00, College and Career Counseling Director Peter Goss will be available to answer questions about post-high school planning. Please stop by!

The program will begin in the gym at 6:00, followed by a run-through of your students' schedule. Wear comfortable shoes as there is only 5 minutes between classes! Students will be on hand to guide you around campus.

Thank you for entrusting us with your children and we look forward to seeing you on Wednesday!

All my best,

Rebecca Gratz
Assistant Head of School
