ANNUAL CONFIDENTIAL SURVEY

Each year, George Stevens Academy has the opportunity to provide services for our students at a discounted rate through federal, state, and local programs based on the income levels of our families. These programs include fee waivers for standardized testing through the College Board, laptop risk pool, GSA's reduced meal plan program, (which includes funding from various sources) and other fees. These programs not only provide essential resources for GSA (saving the school thousands of dollars each year), but can also help families by reducing individual costs.

To qualify for these programs, GSA must collect annual documentation regarding the income levels of our students. The information you provide will be kept **strictly confidential**.

It is extremely important that we hear from everyone! Please complete this survey and return to the Business Office, George Stevens Academy, 23 Union Street, Blue Hill, ME 04614. If you have any questions please call our office at 207-374-5081. **We need everyone to return this survey by August 29, 2022 – not just those families that fall within the income levels - in order for the survey to be valid.**
