

INTERWEAVE PERIOD EXPLANATION

HOW TO READ YOUR SCHEDULE

2022-2023

Period 3 will be our "interweave period."
Here's how it will work, and how to read your schedule.

① Half-credit classes that meet during period 3 will be interwoven.

During first semester all semester, this student will have Band on A days and Study Hall on B days.

② Full-credit class that meet during period 3 will meet as normal: every day for one semester.

This student has Art II Honors listed twice in period 3. This shows that it will meet on both A days and B days. It is a regular, semester-long, full-credit course.
