

Greetings from the Advancement Office!

The Advancement Office at George Stevens Academy handles communications with families and the community, as well as special events and fundraising. We keep alumni connected, hosting reunions and spreading the news of GSA. The Advancement Office has volunteer opportunities throughout the school year, listed below.

A menu of volunteer activities appears below. If you think you might like to join us, please provide your contact information here and indicate your areas of interest. For more information, be in touch with Trudy at t.bell@georgestevens.org—we would love to hear from you!

- I'd like to help organize parent social events later in the school year.
- I'd like to increase my connection with other families by attending a parent social event at the school.
- I will help spread the word through social media (sharing posts from GSA's pages).
- I'd like to learn about ways to be involved with Giving Day (held annually in early June).
- I'd like to help with the annual fundraising appeal.
- I'd like to help organize alumni events and/or assist with alumni communications.
- I'm able to help work with area businesses on events (such as the annual golf tournament).
- I've thought of another way I could help with communications, engagement & advancement at GSA:

- I'd also recommend getting in touch with this friend about volunteering at GSA:
