In-Network Reimbursement	For services provided by a Cigna Dental PPO network dentist, Cigna Dental will reimburse the dentist according to a Fee Schedule or Discount Schedule.			
Non-Network Reimbursement	For services provided by a non-network dentist, Cigna Dental will reimburse according to the Maximum Reimbursable Charge. The MRC is calculated at the 95th percentile of all provider submitted amounts in the geographic area. The dentist may balance bill up to their usual fees.			

Cross Accumulation	All deductibles, plan maximums, and service specific maximums cross accumulate between in and out of network. Benefit frequency limitations are based on the date of service and cross accumulate between in and out of network.
Calendar Year Benefits Maximum	The plan will only pay for covered charges up to the yearly Benefits Maximum, when applicable. Benefit-specific Maximums may also apply.
Calendar Year Deductible	This is the amount you must pay before the plan begins to pay for covered charges, when applicable. Benefit-specific deductibles may also apply.
Late Entrant Limitation Provision	No coverage until next open enrollment.
Pretreatment Review	Pretreatment review is available on a voluntary basis when dental work in excess of \$200 is proposed.
Alternate Benefit Provision	When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses. This provision does not apply to fillings.
Oral Health Integration Program (OHIP)	Cigna Dental Oral Health Integration Program offers enhanced dental coverage for customers with the following medical conditions: diabetes, heart disease, stroke, maternity, head and neck cancer radiation, organ transplants and chronic kidney disease. There's no additional charge for the program, and those who qualify are eligible to receive reimbursement of their coinsurance for certain related dental procedures. Eligible customers can also receive guidance on behavioral issues related to oral health. Reimbursements under this program are not subject to the annual deductible, but will be applied to and are subject to the plan annual maximum.
