Dear Ms. Szalai,

Please be advised that the district is unable to accept multiple "standing FOIA requests" from an individual submitting one FOIA Request Form. As such, please submit an [online FOIA request](#) for the below information for each grouping of committee decisions upon receiving notification as a complainant for the remaining 90+ titles. The online form process assists with tracking when numerous requests are submitted and received by the District.

Regards,  
Candace

Public Records  
Requested (Description  
of Documents or  
Information  
Requested):

Please let this serve as a standing request for information as it becomes available.

Each time a committee is formed concerning the review of books in the district that I submitted, I am requesting each review committee member's name and position (either their district position or community position- for example whether they are a community member, a parent of a school, or a SIC member) upon their formation.

Each time after a committee convenes and comes to a decision, I am requesting copies of the completed Reconsideration Committee Checklist for each committee member for each book that is reviewed.

Upon notification from the district of the outcome of any committee decision, I am requesting the committee report that will be given to the board if an appeal is filed.
