A written, signed mediation agreement is enforceable in any State court of competent jurisdiction (a court that has the authority under State law to hear this type of case) or in a district court of the United States.

Discussions that happened during the mediation process must be confidential. They cannot be used as evidence in any future due process hearing or civil proceeding of any Federal court or State court of a State receiving assistance under Part B of IDEA.

Impartiality of mediator

The mediator:

1. May not be an employee of the State Educational Agency or the school district that is involved in the education or care of your child; and
2. Must not have a personal or professional interest which conflicts with the mediator’s objectivity.

A person who otherwise qualifies as a mediator is not an employee of a school district or State agency solely because he or she is paid by the agency or school district to serve as a mediator.
