Dear Parents and Guardians,

The purpose of Title funding, Federal Programs funding, is to provide supplemental resources to enhance a variety of our community offerings here at our school. It assists all our students to ensure “a fair, equal, and significant opportunity to obtain a high-quality education and reach, at minimum, for proficiency on challenging State academic achievement standards and State academic assessment (closing the achievement gap).”

Eligibility is determined by address. Although funding and services change from year to year, eligible student addresses generate funding for a variety of needs. This past year, these funds assisted with after school tutoring, our many clubs, improvements in technology, health and safety to ensure clean and safe environmental practices, technology enhancement, and continuing teacher education ensuring best practices. These services provide an opportunity to enrich our community’s welfare and set us apart academically.

Your student has been sent home a copy of the Income Determination form; however, if you need to download and print a copy it has been provided for you on our website.

Please type the following into your address bar:

<https://www.bishopsnyder.org/support-snyder/grants> .

The form may also be found on the **All Forms** page, which is under the Parents menu in the upper right-hand corner of the main Bishop Snyder High School website.

We are asking parents of freshman, sophomore, and junior students to take a moment to complete this short survey to assist in our Federal Program-funded services. Thank you for taking the time to enhance Bishop John Snyder High School’s ability to serve our community.

In Christ’s love and peace,

Deacon David Yazdiya, Principal
Bishop John J. Snyder High School
