Welcome		30 min	
Welcome/Introductions Master Schedule Update	Brian Siesto	20 min	Brian Siesto called the meeting to order and welcomed SH Science Teacher, Eric Dahlstrom. The order of the meeting was adjusted so Eric could present first. Eric created potential alternative schedules to the current 4 block (80 minute) class schedule that is currently used at the high school. The alternatives included multiple scenarios ranging from a 4-10 day rotation and class times ranging from 36-56 minutes. There is also the potential of having 3 lunch periods instead of 4. Any schedule change would realistically take 1-2 years with the earliest possible start date of Fall 2024. The plan would require input from all stakeholders and detailed communication to the community. The final decision would be to determine what would benefit our students the most.
Approve minutes of prior meeting dated 10/27/22	Brian Siesto	5 min	Catherine Ginther made a motion to approve the minutes from the 10/27/22 meeting. Sarah Reilly seconded it. Motion carried.
Review Agenda	Brian Siesto	5 min	Brian Siesto reviewed the agenda.

How can we support students/staff SEL?	Brian Siesto	10 min	As the teaching environment changes, it is important that we look into areas that best support the social emotional learning of our entire school community including students, staff, and parents. Brian Siesto with the help of PTSA hopes to develop a parent workshop series that would be beneficial for raising students in a post-Covid environment.
