

VERBUM DEI
JESUIT HIGH SCHOOL

Support the School THAT WORKS

With intentional investments in people, organizations, and communities of color, Verbum Dei Jesuit's Corporate Work Study Program addresses systemic barriers and delivers real change!

Verbum Dei Jesuit's Corporate Work Study Program offers actionable social-purpose opportunities for our partners.

- Invest in Diversity, Equity, and Inclusion in the workplace and remove institutional barriers for qualified young workers
- Build your talent pipeline by developing future business leaders today
- Join an impressive portfolio of LA businesses contributing to the success of Verb graduates

Your partnership with the Corporate Work Study Program will directly support Verb students through:

- Allowing our hardworking students to continue to access a quality education by offsetting the cost of tuition
- Preparing Los Angeles' future leaders for college and future careers with an experience-based education
- Offering deserving young men the chance to develop their potential through mentorship
