

COVID-19 Decision Tree for TK-12 and Childcare (11.15.22)

1. Antigen test recommended.

2. Wearing a mask around others is strongly recommended for anyone 2 years and older except when eating or sleeping.

3. For spaces smaller than 400,000 cubic feet, a close contact is someone sharing the same indoor airspace for a cumulative total of ≥ 15 minutes over a 24-hour period during a confirmed case's infectious period. For spaces larger than 400,000 cubic feet, see [CDPH's](#) close contact definition.
