

## RE-ENROLLMENT FOR THE 2023-2024 SCHOOL YEAR

We are one year into using **SchoolAdmin** as our enrollment management tool.

- **On February 9, re-enrollment email links will be sent out to current families.** We ask that you complete your child’s re-enrollment for next year before we open to new families on February 22. Be sure the email address you use for your **SchoolAdmin** Parent Portal account is correct.

**Parents of O’Gorman High School students:** each year you must both re-enroll your student to attend school AND your child must register for classes for the following year. Both steps must be completed annually.

**Parents of preschool students:** In December, you were asked to complete your student’s Intent to Enroll form for next year. You must also complete your child’s re-enrollment when it is emailed out on February 9. As many of our preschool classrooms have reached capacity this year, we strongly encourage you to complete enrollment when you receive the email link to secure a spot for the 2023-2024 school year.

- Applications for the 2023 Summer Care Program will also be available beginning February 9 as part of your student’s re-enrollment process.
- Current families will be able to submit applications for siblings to attend the following year during the re-enrollment period.
