Menu is subject to change

DAILY BREAKFAST MENU

- Fruit and/or 100% Fruit Juice
- Milk

Breakfast is served in all buildings on 2-hour delays – menus may be altered to accommodate.

BENEFITS OF BREAKFAST

- Children who eat breakfast are more likely to behave better in school.
- Breakfast improves attention, problem-solving tasks, and memory.
- Eating breakfast can help improve math, reading, and standardized test scores.
- Studies have shown that children who eat breakfast regularly are less likely to be overweight.
