Within twenty (20) workdays following knowledge of the act or condition, which is the basis of the complaint, the grievant may file a grievance with the administrator who made the decision on the issue being grieved.

INFORMAL LEVEL. The employee is encouraged to discuss the issue causing concern with his or her immediate supervisor in order to achieve resolution prior to proceeding to Level 1 of the grievance procedure. The employee may elect to have the designated Union steward present at such discussions. Every effort should be made to arrive at a resolution of the issue and a verbal response made to the employee within five (5) workdays.

B. Written Presentation

The grievance shall set forth the facts giving rise to the grievance and the provision(s) of this Agreement alleged to have been violated.

C. Grievance Meetings

Grievance meetings shall be held at times mutually agreeable to the parties concerned. It is the right of the grievant to be represented at all such meetings by the Union steward or other person(s) of his or her choice.

D. Time Limitations

No grievance shall be entertained or processed unless it is filed within the prescribed time limits. If a grievance is not appealed within the time limits, it shall be deemed settled on the basis of the last answer of the Board, provided that the parties may mutually agree to extend any time limits. If the grieved administrator fails to provide an answer within the time limits so provided, the employee with or without his or her

Union representative may immediately appeal to the next level.

E. Levels

1. The administrator being grieved or his or her designated representative shall have five (5) workdays to give a written decision after receipt of the grievance.
2. If the grievance is not settled at Level 1 within five (5) workdays, the grievant may move it to Level 2 by a written notice to the appropriate Division/Department Head or his or her designated representative. The Division/Department Head or his or her designated representative shall have ten (10) workdays to give a written decision after receipt of the grievance.
3. If the "grievant" is not satisfied with the decision rendered at Level 2, he or she may appeal to the Superintendent within five (5) work days after receipt of the decision. The Superintendent or his or her designated representative will respond within fifteen (15) workdays after receipt of the grievance.

Category

Level 1	Administrator making the decision on the issue being grieved
Level 2	Appropriate Assistant Superintendent or Designee
Level 3	Superintendent of Schools or Designee

G. Arbitration

1. Any grievance that has been properly processed through Level 3 of the grievance procedure and has not been settled may be moved by the Union to arbitration under the voluntary rules of the American Arbitration Association. No individual employee or groups of employees shall have the right to invoke the provisions of these arbitration procedures. This appeal may be made by the Union by serving written notice to the Superintendent within ten (10) workdays following receipt of the Superintendent's written response at Level 3 of the grievance procedures.
2. The jurisdiction and authority of the arbitrator, and his or her opinion and recommendation, shall be confined to the express provision(s) of this Agreement at issue between the Union and the Board. The arbitrator shall have no authority to add to, alter, amend, or modify a provision of this Agreement, or to make any recommendation, which will in any way deprive the Board of any of the powers delegated to it by law. The parties further agree to accept the arbitrator's award, within his or her jurisdiction and authority, as final and binding upon them.
3. Arbitration Expenses
The Union and the Board shall each bear its own expenses in these arbitration proceedings, except that they shall share equally the fee and other expenses of the arbitrator in connection with the grievance submitted to arbitration.

**ARTICLE 28:
DURATION AND SEVERABILITY**

- A. This extended Agreement shall remain in full force and effect, ending June 30, 2024, and incorporate the entire understanding of the parties on all matters, which were the subject of negotiations. Each side may open annually one (1) Article in addition to salary and health insurance.
- B. The parties agree that all negotiable items have been discussed during the negotiations leading to this Agreement and therefore agree that negotiations will not be re-opened at any time whether contained herein or not during the life of this Agreement except by mutual Agreement of the parties involved.
- C. If any provision of this Agreement or any application thereof is held to be contrary to law by a court of competent jurisdiction, and such provisions or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect. Upon issuance of such a decision, the Board and the Union agree to immediately negotiate a substitute for the invalidated Article, Section, or portion thereof, if they deem it feasible.

All side letters are to remain in full force and effect for the purpose of this settlement.
