Meeting began at 9:00

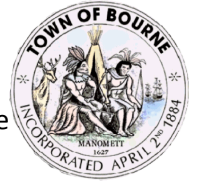

1. November minutes approved.
2. BHS Showcase Update Follow-Up - Jessee Clements  
November 3rd, grades 7 and 8 went up to the high school. Very positive day-student feedback showed it was clear that they learned about what the HS has to offer.
3. Career & College Exploration Day Follow Up - Barbara Starkie- see presentation. Feedback was mixed- some students who didn't get their first choice weren't as positive. Good constructive feedback on what they'd like to see next year including medical fields, college hops, and sales. We can make some improvements next year with preparation, entry questions, possible changes in sites.
