Comprehensive Needs Assessment

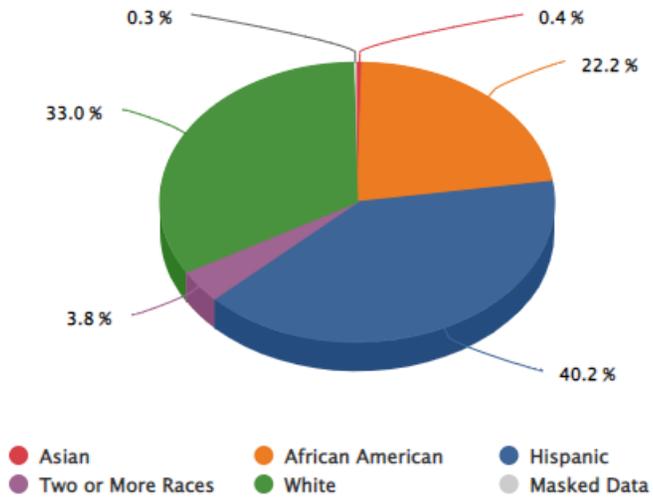

Revised/Approved: September 12, 2022

Demographics

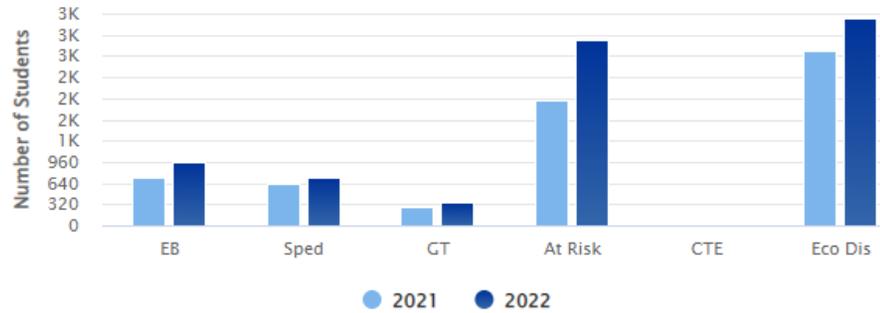

Demographics Summary

Crandall ISD is a public school district that meets the unique needs of approximately 5,500 PK-12th grade students. We are located in the rural area of Crandall, Texas which is about 25 miles southeast of Dallas. The district consists of nine campuses; Dietz Elementary (PK-6), Martin Elementary (PK-6), Noble-Reed Elementary (PK-6), Martin Elementary (PK-6), Walker Elementary (PK-6), Wilson Elementary (PK-6), Crandall Middle School (grades 7-8), Crandall Freshman Center (grade 9), Crandall High School (grades 10-12), and a DAEP campus (an alternative campus). Our five campuses that serve PK through 6th grade are all identified as schoolwide Title I campuses. In 2021-2022, we have 57% Economically Disadvantaged students, 40.2% Hispanic, 33% White, 22.2% African American, and 3.8% two or more races. 51% of our students are identified as At-Risk. 17% of our students are classified as Limited English Proficient (LEP). 6.5% of our students are identified as Gifted and Talented, 5.4% are identified as dyslexic, and 13% are identified as Students with Disabilities requiring special education services. Attendance rates are above the state average and have remained steady over the years. In 2020-2021 we had an attendance rate of 93%. This represents a slight decrease from previous years due to COVID concerns. The dropout rate is consistently below 1% and less than half the state average. The federal mandate for highly qualified teachers has now expired, but CISD continues to place a high priority on employing high-quality, talented staff. Our average years of experience for teachers is 8 years.

Demographics Strengths

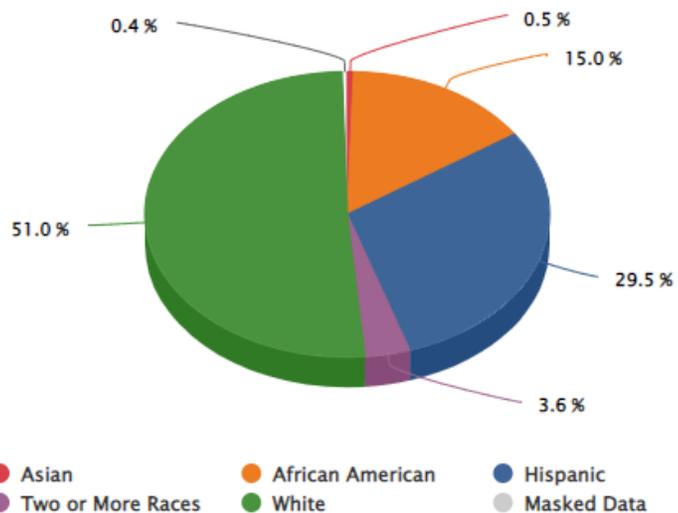

CISD's diverse student population provides a rich school culture and community that values education. Crandall ISD is one of 85 districts identified as a fast-growth school districts across the state. The Fast Growth School Coalition works on behalf of these school districts to educate. Recent demographic studies indicate that CISD will likely experience significant and rapid growth over the next 10 years.

In 5 years, our District has grown by approximately 1,500 students and added about 100 teachers. Our majority ethnicity has shifted from 51% white to 33% white while growing our Hispanic and African American populations. Teacher diversity has followed this trend to ensure diversity with fast growth.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): With demographics that continue to shift, training and support are needed to meet the social, emotional, and academic needs of all learners.

Root Cause: Fast growth in Crandall ISD

Problem Statement 2 (Prioritized): Continually increasing mobility rates results in learners from a more diverse educational background enrolling in the district, sometimes with significant learning gaps. **Root Cause:** Fast growth in Crandall ISD - Communities being built quickly

Problem Statement 3 (Prioritized): Staff diversity in the district does not mirror that of the student population. **Root Cause:** Nationwide shortage of educators

Problem Statement 4 (Prioritized): Significant increase in beginning teachers prompts a high need for professional development. **Root Cause:** Fast growth, national teacher shortage, adding Teaching Apprentices to CISD.

Problem Statement 5 (Prioritized): Student attendance rates for the economically disadvantaged are about 20% higher than that of other sub-pops.

Problem Statement 6 (Prioritized): Inequities of disciplinary numbers with focus on African American, Hispanics, English Learners and At-Risk students at the secondary level.

Student Learning

Student Learning Summary

2021-22 was the first year ratings have been released since the pandemic. The district earned an overall rating of 84 (B) with a B grade in each of the three domains. Closing the Gaps was our highest domain with Student Achievement close behind. Walker Elementary, Crandall High School, and our alternative campus all received a B rating, and the remainder of the campuses earned a C. We have one campus under Target Support: Crandall Middle School. In 2021-22, 8,406 state assessments were taken with 71% receiving Approaches or above, 42% receiving Meets or above, and 19% receiving Masters.

Accountability Rating Summary

Student Learning Strengths

- African American STAAR Performance Levels increased by at least 5% in all 3 categories: Approaches, Meets, and Masters.
- English Language Learners STAAR Performance Levels increased by 5% in the Meets category, while monitored English Learners (students who are 1-2 years out of EL program) substantially increased in Meets and Masters.
- STAAR Performance Levels for Economically Disadvantage students stayed about the same throughout the pandemic.
- STAAR Performance Levels for SPED students stayed about the same throughout the pandemic.
- Students earning an industry-based certification raised from 0% to 17% since 2020 scores were released.

- Students earning Dual Credit Credits with at least 3 hours in ELA or Mathematics or 9 hours in any subject stayed steady at about 26%

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Decline in student performance, resulting from the impact of COVID-19, throughout grade levels and subjects considered indicate a continued need to emphasize academic growth for all students, with additional focus on promoting growth for students from diverse backgrounds. **Root Cause:** COVID-19 impact

Problem Statement 2 (Prioritized): While Meets and Masters Grade Level performance has increased in many grades and subjects in previous years, data demonstrates that some students are struggling to maintain performance at these higher performance levels. **Root Cause:** COVID-19 impact, fast growth

Problem Statement 3 (Prioritized): Declines in Approaches Grade Level indicate that some students are struggling to maintain performance at Approaches Grade Level, and other students may be entering a grade level or subject with prerequisite learning gaps. **Root Cause:** COVID-19 impact, fast growth

Problem Statement 4 (Prioritized): Gaps between performance levels in different demographics up to 20% difference.

Priority Problem Statements

Problem Statement 1: Decline in student performance, resulting from the impact of COVID-19, throughout grade levels and subjects considered indicate a continued need to emphasize academic growth for all students, with additional focus on promoting growth for students from diverse backgrounds.

Root Cause 1: COVID-19 impact

Problem Statement 1 Areas: Student Learning

Problem Statement 2: Student attendance rates for the economically disadvantaged are about 20% higher than that of other sub-pops.

Root Cause 2:

Problem Statement 2 Areas: Demographics

Problem Statement 3: Inequities of disciplinary numbers with focus on African American, Hispanics, English Learners and At-Risk students at the secondary level.

Root Cause 3:

Problem Statement 3 Areas: Demographics

Problem Statement 4: With demographics that continue to shift, training and support are needed to meet the social, emotional, and academic needs of all learners.

Root Cause 4: Fast growth in Crandall ISD

Problem Statement 4 Areas: Demographics

Problem Statement 5: Continually increasing mobility rates results in learners from a more diverse educational background enrolling in the district, sometimes with significant learning gaps.

Root Cause 5: Fast growth in Crandall ISD - Communities being built quickly

Problem Statement 5 Areas: Demographics

Problem Statement 6: Staff diversity in the district does not mirror that of the student population.

Root Cause 6: Nationwide shortage of educators

Problem Statement 6 Areas: Demographics

Problem Statement 7: Significant increase in beginning teachers prompts a high need for professional development.

Root Cause 7: Fast growth, national teacher shortage, adding Teaching Apprentices to CISD.

Problem Statement 7 Areas: Demographics

Problem Statement 8: While Meets and Masters Grade Level performance has increased in many grades and subjects in previous years, data demonstrates that some students are struggling to maintain performance at these higher performance levels.

Root Cause 8: COVID-19 impact, fast growth

Problem Statement 8 Areas: Student Learning

Problem Statement 9: Declines in Approaches Grade Level indicate that some students are struggling to maintain performance at Approaches Grade Level, and other students may be entering a grade level or subject with prerequisite learning gaps.

Root Cause 9: COVID-19 impact, fast growth

Problem Statement 9 Areas: Student Learning

Problem Statement 10: Gaps between performance levels in different demographics up to 20% difference.

Root Cause 10:

Problem Statement 10 Areas: Student Learning

Problem Statement 11: District staff turnover rate is higher than the state turnover rate on the 2020-21 TAPR Report. District 21.8% State: 14.3%

Root Cause 11: District support for new staff

Problem Statement 11 Areas: District Processes & Programs

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Accountability Distinction Designations
- Federal Report Card and accountability data
- Alternative Education Accountability (AEA) data
- Local Accountability Systems (LAS) data

Student Data: Assessments

- State and federally required assessment information
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data

Goals

Revised/Approved: November 14, 2022

Goal 1: Advance student learning, growth, and college and career offerings.

Performance Objective 1: Create and sustain a data-driven instructional plan.
