

ST. DOMINIC HIGH SCHOOL 2021-22 ANNUAL REPORT

Educating with a higher purpose

OUR MISSION

St. Dominic is a Catholic, college preparatory high school offering young men and women an education rooted in the Gospel of Jesus Christ. Living the Dominican tradition of prayer, study, community and service, we encourage lifelong growth in faith, knowledge and leadership and involvement in the global community.

EXPRESSING OUR GRATITUDE

What an INCREDIBLE YEAR the 2021-2022 school year was for St. Dominic High School. Thank you so much for your spiritual, philanthropic, and physical support of our St. Dominic community. The 2021-2022 school year brought about growth, enhancements, and progress for our students, faculty, staff, and broader community. Most notably, in January of 2022 we proudly opened the **Wies Family Center for the Sciences**, providing 8 state-of-the-art laboratories, a Broadcast Journalism studio, and a home for our Augmented Reality Lab. This expansion also included a new front entrance to our school with the beautiful, two-story **Marvin '70 and Donna Eisenbath Atrium**. Our students and faculty have fallen in love with this state-of-the-art learning space, a communal environment that our students and teachers call home.

With **Rev. Patrick Russell** moving into his second year as the Vice-President for Mission and Identity, we launched a number of new spiritual initiatives as outlined in the most recent strategic plan. Two Seminarians were on campus weekly working within our religion classes to help our students connect more deeply and better understand our theology. A Parent Discipleship program was initiated in which parents were invited to join us for an evening of prayer, witness, and fellowship during Advent and Lent. Student discipleship groups were initiated to continue the spiritual growth for students coming off of retreat with great success. Lastly, 13 students joined Fr. Patrick and myself as we journeyed to McAllen, Texas to work with Catholic Charities, serving families immigrating into the United States. This growth in our spiritual programming has enhanced our students' engagement with witnessing of Jesus Christ.

The 2021-2022 school year saw the greatest year of philanthropic support in the history of St. Dominic High School. In addition to wrapping up *Called to Lead: the Campaign for St. Dominic*, our community supported St. Dominic with over \$1.1 million in philanthropic support. This support came in the form of record support of the St. Dominic Fund, Celebrate St. Dominic Day, the Gala Dinner Auction, and the SDAA Golf Tournament. This generous support of our community helped provide our students and faculty with the very best spiritual, education, athletic, artistic, and social opportunities we could provide. Once again, THANK YOU for helping make this possible.

Athletics had another record setting year with **Football** capturing its first-ever District Championship in school history. Ice Hockey was added to our opportunities and quickly turned into one of the most popular, having a JV team this past school year and already committing to a Varsity and JV team for the current school year. Our growth continued by adding teams in Field Hockey (3), Girls Volleyball (4), and Boys Basketball (4) for the 2021-2022 school year. Our school year concluded with the celebration of our **Ladies Soccer** team winning their 3rd MSHSAA State Championship in a row and our **Boys' Volleyball** team capturing their very 1st state championship in just its 10th year of existence as a varsity sport.

It is only through your prayers, kindness, and generosity to our St. Dominic community that we are able to enhance our students' relationship with Jesus Christ and provide them an exceptional educational and high school experience. May God continue to bless you as you have blessed us.

“ When we sent our oldest daughter to St. Dominic, little did we know that she was not just going to receive a good education, but this school would also become an extension of our family. At St. Dominic our kids are accepted for who they are and are shown care and compassion. They are part of a bigger community that celebrates the achievements and mourns the losses within it, too. Our kids have learned there is much more to the world than themselves and see this modeled through the amazing administration, staff and fellow students. Upon graduation, our kids are better prepared for the future they are meant to fulfill.”

“ I am blessed to be surrounded by an amazing faculty network here at St. Dominic. They are world-class educators and coaches who are also inspiring colleagues and caring friends. Each one is of solid character in faith and in depth of knowledge. The administrative team is the best with whom I have ever worked, open to ideas, leading by example, organized, and supportive all the way. The office and the maintenance staff are not only hard-working, faith-filled people, they are also the friendliest and flexible individuals, always finding solutions to keep the school running smoothly. These people are the foundation of a great institution that, in its likeness, attracts the most amazing students and families.”

DR. DEBORAH RUSCILLO
PLTW BIOMEDICAL SCIENCES TEACHER

“What I love most about St. Dominic is the welcoming & exciting atmosphere. I know everyday I will come to school & something new will happen whether it is with my friends, in my classes or with my Family. It keeps me motivated & makes school more fun & interactive. Things like Empower Hour & Family Time lets us get involved with other people & encourages me to try new things”

2021-22 FACULTY & STAFF DONORS

Over 90% of our faculty and staff community give back to St. Dominic, beyond their time and talents in our classrooms. We thank them for their unending dedication to our students and our school community.

“We are so pleased that St. Dominic includes and encourages grandparents to support their grandchildren not only at athletic and extracurricular activities, but also in a prayerful way through Grandparents Day and the Grandparents Mass and Rosary program. This is just another way St. Dominic stresses the importance of God in our lives and the importance of family, both young and old!”

To help control spread of antibiotic resistance:

- Antibiotics must be taken correctly
- Antibiotics must be prescribed by healthcare professionals
- Antibiotics must be prescribed only when needed
- Antibiotics should not be used to promote growth or prevent diseases in healthy animals
- Measures to prevent infections (wash hands, get vaccinated, healthy habits...)

The St. Dominic Fund is an annual fund that exists through the generosity of St. Dominic families. It is designed to enrich our students' experiences in all areas: academically, spiritually, socially, athletically and artistically. These funds are critical to advancing our mission as a school community.

A gift to the St. Dominic Fund validates your support of our mission and directly impacts the lives of our students.

THE ST. DOMINIC FUND SUPPORTS

- **Affordability**

ensuring every child has the opportunity to receive a strong, Catholic education

- **Professional Development**

guaranteeing our teachers are prepared and dedicated to educate our students

- **Day-to-Day Operations**

anything from keeping the lights on, to maintaining our beautiful 50-acre campus

- **And so much more...**

the St. Dominic Fund also supports athletics, fine arts and spiritual opportunities for students

“We support the St. Dominic Fund because at its core, it improves the spiritual and educational development of current and future students. As alumni, we have seen firsthand how the educational quality has improved while preserving the values of prayer, study, community and service – all are important traits in our personal growth and development.”

GIVING DAY RESULTS

This year's giving day was one to celebrate! Everyone celebrated our Crusader spirit with the help of entire community. We exceeded our goal and treated St. Dominic students to treats and Empower Hour fun! Because of the success of this giving day, the St. Dominic Fund's support efforts grew as well.

“ For the past two years our daughter Kendal has had an amazing experience at St. Dominic. We are happy to help support their efforts knowing that they are putting donations to great work. My wife and I have been extremely pleased with how the school runs, and how they teach and develop their students. We look forward to many great years together at St. Dominic High School!!”

“One thing I really love about St. Dominic is the faculty and staff. They are always making sure everyone is in good hands and is doing well. Our teachers look for the best option for each student instead of trying to make everyone have the same goal. St Dominic has made me who I am today by teaching me a lot of habits and skills that will take me far in life.”

PLANNED GIVING SPOTLIGHT Julia (Walter) Christy

AUGUST 16, 1928 - JANUARY 18, 2021

Julia enjoyed volunteering her time at St. Dominic High School as an Eucharistic Minister while attending Mass every Monday in the Chapel, and monthly at All School Masses. Following her husband Walter's death, she wanted to donate funds to help families in need with tuition assistance, allowing more families the opportunity to give their children high quality education.

- Lynne Grelle, niece of Julia Christy
