James L. Kenny
Chief of Police

Property and Evidence Unit

Property and Evidence Unit Resources:

The Property and Evidence Unit is responsible for the handling, processing, maintenance, storage, and return of all property/evidence in its possession (when applicable). This includes physical evidence of crimes, lost and found property, and property seized with/without search warrants.

Connecticut State Statutes on Evidence

Handling of all property types complies with applicable Connecticut state statutes, court orders, and internal policies. For information on state statutes see Sec. 54-36a through 54-36n:

If you have been to Court

Court orders for return of property are transmitted directly from the court to the Property and Evidence Unit. This generally takes 10-14 days after adjudication of your case. No property can be released until the orders with the Judge's original signature are received. Once the orders are received, we will send you a letter which explains the procedure for making arrangements to pick up your property.

Have You Lost Something?

Contact the Vernon Police Department at 860-872-9126 to see if your property has been turned in or, if necessary, file a report.

Have You Found Something?

Contact the Vernon Police Department at 860-872-9126 or stop by the department in person to turn it in. Unclaimed found property may be returned to the finder after one year.

Are You Looking For The Property Auction?

Per Sec. 7-285, eligible property valued at \$50 or more, including bicycles, is listed on PropertyRoom.com, an auction-type web site selling items from law enforcement agencies around the country.
