Stow Schools Foundation

The Stow Education Foundation is an amazing organization that exists for the sole purpose of supporting our district and its staff and students, usually in the way of many scholarships. Since COVID cancelled both of their fundraisers for the year, they are hosting an online raffle.

At dismissal, no student is allowed to walk to a parked car in the parking lots. If you are picking up your child, please follow the procedure by driving around Lakeview and wait in the car pick-up line. When you get to the front of the line give your child's name to the adult and they will call your child down to meet you. If this procedure does not work for you you can meet your child at the path on Englewood Drive or at Lakeview and Graham Roads area where the adult crossing guards are located. Your child will be called as a walker if you choose this plan. Please advise the office of any changes in dismissal.
