

# Staff Contacts

*School email is the preferred method of Communication. The 'System' has an email built-in, BUT is not practical/convenient to use.*

## NOTES:

- *Voicemails might only be checked when the teacher of record is present in the lab/library.*
- *While any teacher may be able to help out administratively, when trying to reach a specific teacher of record, you may want to consult the teacher rotation schedule posted on the website.*
