Hello and Happy New Year RAHS Families and Community!

The new year has already started off with an emergency closure due to a water main break, but we know at RAHS that we never let a little challenge hold us back. Despite no school on Tuesday, January 3, we will start the year strong on Wednesday and finish out first semester focused on our academics, social-emotional learning, and a strong sense of professionalism and purpose!

Students, this fall we have spent a lot of time re-focusing on expectations at school since we have come out of the pandemic. Some of our traditions and practices we have had to “re-learn” and that is OK! But as we start the new year, it is a perfect time to remember how important our professional culture is at RAHS. Our positive culture includes 1) treating each other with kindness and respect 2) completing work and assignments on time and supporting your teammates on projects, 3) refraining from using foul language or disparaging others, 4) taking care of our physical building (i.e. picking up after yourselves, treating the building with care) and 5) professional dress! We got a little “lax” before the winter break so it will be expected that all students are back in dress standard and professionalism beginning this week!

Congratulations go out to Senior, **Jason Poon** who attained his Private Pilot's License just before winter break! His dedication and training have paid off and his definitely “taking off” to his future as a pilot. Jason would like to give a very special thanks to teacher Mr. **Scott McComb** as well as our wonderful partner, **Galvin Flying**. Congratulations Jason!

We also want to recognize senior Brooke **Swanson** for being selected as **Metro League Division MVP** and **First Team All Division** as a forward playing soccer for West Seattle. Congratulations also goes out to 10th grader **Olivia Shih**, selected as **Second Team All Division** midfielder, also playing for West Seattle. Way to go Brooke and Olivia!

Have a great first week back and a happy new year!

Therese Tipton

RAHS Families – Just a reminder if your student is home sick, has an appointment during school hours or is late to school, please call our attendance line at 206-631-7217 or email Ms. Clem: Samantha.Clements@highlineschools.org.

Seniors - If you need a paper copy of your **transcript** mailed, please fill out the Transcript Request Form, which are located in the College Career Center and return it to Mrs. Tranholt. Please note that USPS mailed official copies take 7-10 business days to reach their destinations. For electronic transcript emails and/or uploads, see Ms. Carper.

Students - Please check out this awesome opportunity from **The Global Health Leaders** Conference at Johns Hopkins University. They would like to invite the students of Raisbeck Aviation High School who are interested in global health and medicine to apply for the 2023 virtual summer program. Students from around the world learn about issues in global health, public health, and medicine through world-class lectures from leaders in these fields, develop connections with like-minded exceptional students, and share their own work and ideas on global health-related topics at the international scale. The conference consists of a series of multiple virtual events on multiple days throughout June-August 2023. If an admitted student cannot attend parts of the programming live, there will be asynchronous options for students to watch the content they miss. The conference registration fee for admitted students is \$99; if the fee places a significant financial burden on a student's family, financial assistance is available as they do not want the fee to be a barrier for any deserving student. There are also no application fees. The highly competitive **conference application is available on the website (<https://glohea.org>) and will be accepted until February 12th, 2023.**

Attention Students! Are you thinking about getting an after-school job? If you have a job while in high school in the State of Washington, you have to have a form signed by the school, called the **Washington State Department of labor Parent/School Authorization** form. The really good news about having the school sign the form, and keeping track of student jobs and your hours, is that you are eligible to attain **Work-Site Learning credits!** Please see Mrs. Tipton or **Mrs. Olsen** in the Career Center if you have an authorization form to be signed or have questions about a job outside of school!

Students – Teens in public service intern opportunity. For more information [check here](#) and to apply [check here](#).

Students – Are you looking for volunteer opportunities? **The Museum of Flight** is looking for docent and ambassador positions. For more information check here <https://www.museumofflight.org/Careers/volunteering-opportunities>

Students – Do you have a job outside of school? You can get CTE credit while working outside of school. See Ms. Olsen for information on how to make this happen.

Students - Bank of America Student Leaders Program Internship. Get first-hand experience in serving your community through a paid eight-week internship with nonprofits like Boys and Girls Clubs of America and Habitat for Humanity. **Applications are open until January 13, 2023.** For more information and to sign up check here: <https://about.bankofamerica.com/en/making-an-impact/student-leaders>

For questions regarding internship opportunities, email Ms. Olsen at renee.olsen@highlineschools.org or call 206-631-7210.

Visit the **PTSA** website at <http://www.rahsptsa.org/> to join and/or for more information.

Please help with Staff Appreciation! PTSA provides a monthly meal for staff with the help of our families.
