

# RETURN TO ISB CAMPUS AFTER A POSITIVE TEST RESULT

After a positive Covid-19 test result, the ISB student or staff member **MUST** stay at home until such a time that they have tested negative twice within a 48-hour period, with the two tests at least 24 hours apart.

Students and staff members should report any positive test at the very earliest opportunity.

The student or staff member may return to campus after:

- Testing negative twice within a 48-hour period, with the two tests at least 24 hours apart. Proof of the two negative tests should be emailed to the ISB Nurses Office at [ejin@isb.cn](mailto:ejin@isb.cn).
- If using a rapid antigen test (RAT) at home, please send two time-stamped photos as proof to the email address above.

Students and staff members must inform the relevant office that they have tested positive for Covid-19 using the email addresses provided below:
