### "Impact and Outcome"

Happy New Year Families!

Hopefully you were able to get some rest, make some memories, and enjoy spending time with your families. Well, we are near the half way mark of the school year and the second quarter ends on January 27th. As we continue with daily instruction, we will begin preparing for winter testing with NWEA concentrating on reading and math beginning next week. It will be extremely important for all students to attend class daily. An upcoming meeting will be scheduled for parents of third graders to discuss the Third Grade Reading Law and how it may impact your student. Please reach out if you have any questions.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning
