AFTER SCHOOL ACTIVITIES
Churchill Campus

After School Program

SPRING 2023

The After School Program at Dallas International School is structured in **two semesters of 16 weeks** each covering the period from August 22 to the end of the school year.

Our **spring semester runs from January 17 through May 19.**

Spring Semester Activities

Start: January 17, 2023

End: May 19, 2023

Make-up Week: May 22 - May 26, 2023

After School Pick-Up

Time: 4-6 pm

The costs for each activity are detailed in the schedules that you will find in this catalog.

For regular Aftercare for Elementary grades GS-CM1/K-4th or for upper campus students traveling to Churchill, the cost is \$10/per hour, with no proration. Since the service ends at 6pm, there will be additional charges for any after 6pm pickup. **All activities are subject to change depending on enrollment.**

The Athletics program for Kindergarten and Elementary students (GS-CM1) is a package program consisting of two sports during the 16-week semester (Fall or Spring). The students will be exposed to both Soccer and Basketball.

Registration and Fees

Registration will open on January 1, 2023.

- Except for private lessons, all registrations are processed through your [BBTM Smart Tuition account](#)
- No proration for late registration

Who to contact:

For all questions or inquiries regarding the program (billing, registration issues, aftercare, etc.) please contact us via email:

Registration & after care questions: cwafterschool@dallasinternationalschool.org
Athletics questions: cmuraro@dallasinternationalschool.org
Billing questions: ashaikh@dallasinternationalschool.org

CHURCHILL CAMPUS PROGRAM

FOR MATERNELLE STUDENTS

Our after-school program for Maternelle students is a package program of activities and childcare. Every student in grade PS and MS/PreK3-4 will have a different activity from 3:00-4:00 pm each day. The students enrolled in this program can stay in childcare until 6pm without additional cost.

The cost of the program is \$130 per week when signed up for this option or \$30 per day for drop-in.

PS | PRE-K 3

Activity	Brief Description	Instructor	Day	Time	Price
Art for Mini Doodlers	Art classes allow kids a rich learning experience while having fun. Students' progress through the elements of art such as line, color, shape to create masterpieces and encourage their creativity. They will use a wide range of quality art materials. They will develop fine motor skills, language, cognitive skills, and the ability to listen and follow directions. The children will convey ideas, express emotion, use their senses, explore colors, and create aesthetically pleasing works and experiences. The classes will be conducted in English & French.	Mónica Martinez	Wed	3:00- 3:30	\$30/day drop-in or \$130/week
DIMA Music	In this class, children will learn how to focus and concentrate on exploring and building through music. Students will learn to understand the emotion that comes after listening to a short piece of music. They will play musical games, learn to read music, sing, and play lullabies with bells all while concentrating, keeping the rhythm and improving their motor and reasoning skills. And most importantly, having fun!	DIMATexas	Mon	3:00- 3:30	\$30/day drop-in or \$130/week
PE Spanish Fun	This class will promote physical learning through play and movement and promote health and physical fitness. This class will be taught in Spanish so students can learn vocabulary related to the activity.	Monica Martinez	Tues	3:35- 4:05	\$30/day drop-in or \$130/week
Yoga Movement	Yoga is an active introduction into yoga, with music. The children will move through yoga poses on the mat, across the room, or in games. The kids will work on balance, stability, coordination, and functionally moving bodies in space.	Tanya Peale	Tues	3:00- 3:30	\$30/day drop-in or \$130/week
STEAM	The STEAM Labs are designed to help our young students develop their sense of creativity while working on hands-on projects. They will explore new topics every week.	Homa Nabavi	Wed	3:35- 4:05	\$30/day drop-in or \$130/week

Activity	Brief Description	Instructor	Day	Time	Price
Silly Symphony	Students will be introduced to the instruments of the orchestra through games, and instruction. Activities will include an instrument-building workshop and an instrument petting zoo. Parents will be invited to a final performance from our Silly Symphony where students will perform using their own creations or a real instrument.	DIMA Music	Thurs	3:35- 4:05	\$30/day drop-in or \$130/week
Motricity	This class aims at developing kids' natural innate movement patterns such as crawling, walking, jumping, climbing, lifting, carrying, throwing, catching, balancing, walking, running. Your child will have fun, but they will also gain self-confidence, and agility. They will also establish solid and efficient movement patterns which are the foundation of any specific physical activity such as soccer, football, tennis, gymnastics and martial arts. As for their brain development, practicing natural movement is a way to reinforce sensitive perception, proprioception, intellectual awareness, and reflexes. Class will be taught in French, which will enable students to practice their language skills.	Monica Martinez	Thurs	3:00- 3:30	\$30/day drop-in or \$130/week
Intro to Dance	Focus is on movement, coordination, feeling the rhythm, and creative improvisation to music. The children will develop poise, plasticity, flexibility, and grace. The curriculum includes warm-up, steps, dance elements, recognizing rhythm patterns, developing an ability to move to music, and rhythmic dance. Parents are encouraged to attend each semester's parent demonstration day the final week of class.	Ludmila Tsitavets	Fri	3:00- 3:30	\$30/day drop-in or \$130/week
Music	In this class, children will learn how to focus and concentrate on exploring and building through music. Students will learn to understand the emotion that comes after listening to a short piece of music. They will play musical games, learn to read music, sing, and play lullabies with bells all while concentrating, keeping the rhythm, and improving their motor and reasoning skills. Most importantly, having fun.	Monica Martinez	Fri	3:35- 4:05	\$30/day drop-in or \$130/week

FOR ELEMENTARY STUDENTS

Activity	Grades	Brief Description	Instructor	Day	Time	Price
Soccer+Basketball CoEd	CE1/2nd	Each child is taught according to their ability level. They're taught the fundamentals of soccer: controlling/juggling, running, passing, and shooting the ball. Children may wear their uniforms or only change their t-shirt. Shin guards and cleats are mandatory.	Phil, Mitchell, Clement, Kim	Mon & Thurs	4:30-5:30	\$450/semester
A Trip to China	CE1-CM1 2nd-4th	In this playful hands-on class led by our Mandarin teachers, our students will use their creativity and manual skills to build objects that reflect Chinese culture, sing and dance to Chinese tunes, play traditional games and, in the process, learn to speak Chinese.	Jing Ma	Thurs	4:30-5:15	\$265/semester
Chess	CE1-CM1 2nd-4th	Come join in the fun and learn how to get started playing chess. Your NTCA Chess Coach is excited to spend the semester teaching you how to set up the chess board, how the pieces move, how to capture, chess notation, check, checkmate, castling and the ABC's to starting a game. The class will also include fun facts about chess history and current events. Of course, there will be plenty of activities and playing!	Texas Chess Center	Mon	4:15-5:00	\$325/semester
Intro to Natural Movement	CE1-CM1 2nd-4th	This Natural Movement workshop aims at developing children's natural innate movement patterns such as crawling, jumping, climbing, lifting, throwing, catching, and running. Your child will have fun, but they will also gain self-confidence and establish solid and efficient movement patterns that are the foundation of any physical activity such as soccer, football, tennis, or martial art. Practicing natural movement is also a way to reinforce sensitive perception, proprioception, intellectual awareness, and reflexes. This class will be taught in French.	Michael Baudry	Thurs	4:05-5:00	\$265/semester
Theater in French	CE1-CM1 2nd-4th	What better way to learn a language than through acting! In this one-hour-a-week theater class in French, the children will not only become familiar with stage rules, learn to use their voice in different ways, and build self-confidence but they will also have the opportunity to develop collaborative skills and create a connection between the language (French) and real life situations. This class will culminate with an end-of-year performance.	Melanie Edera	Wed	4:05-5:00	\$265/semester

NEW

Music Broadway	CE1-CM1 2nd-4th	See your child take the big stage! In this class, students explore what it takes to be a Broadway star. By the end of our time together, your child will grow in knowledge and confidence showcased in a fabulous final performance! 🎵 Sing your favorite songs, from Disney to Broadway. Play your favorite characters & create fun scenes in a group. 🎵 Learn basic dance moves that the stars use onstage. This camp is for all regardless of experience! All that is required is a love for music and a willingness to try new things!	DIMA Music	Tues	4:15-5:00	\$285/semester
Circus Advanced	CE2-CM1 3rd-4th	There is nothing more exhilarating and beautiful as a circus with its soaring acrobatics, gravity defying feats, amazing aerialists and contortionists, mesmerizing illusions, breathtaking dance, moving music, and hilarious comedy. At Lone Star Circus, we take pride in our rich history as an eighth-generation circus family, as well as being the leader in Circus Arts through our culturally diverse performances in Texas and beyond. In addition to our theatrical cirque productions, intimate tent performances, virtual shows, and lavish dinner shows, we also provide professional and recreational circus classes and camps to both adults and children. \$40 Show Fee payable in January. More info sent by Lone Star in the spring.	Lone Star Circus	Wed	5:00-5:45	500/semester
Yoga Movement	CP-CE1 1st-2nd	Yoga is an active introduction into yoga, with music. The children will move through yoga poses on the mat, across the room, or in games. The kids will work on balance, stability, coordination, and functionally moving bodies in space.	Tanya Peale	Tues	4:45-5:15	\$265/semester
Math Fun	CE2-CM1 3rd-4th	Crazy 8s is a math club unlike any other! It offers unique, high-energy math activities that appeal to kids of all math abilities. Kids will come to appreciate math as a regular part of their lives. This club will include hands-on activities for students in 3rd and 4th grade for 1 hour/ week. The club offers a range of materials to handle a wide range of abilities, even among kids in the same grade. We offer mischief-making activities that kids love, like Bouncy Dice Explosion and Spy Training. We start with the fun, then roll in the math.	Cindy Jackson	Wed	4:00-5:00	\$285/semester

Soccer+Basketball CoEd	CE2/CM1	Each child is taught according to their ability level. They're taught the fundamentals of soccer: controlling/juggling, running, passing, and shooting the ball. Children may wear their uniforms or only change their t-shirt. Shin guards and cleats are mandatory.	Phil, Mitchell, Clement, Kim	Tues & Fri	4:30-5:30	\$450/semester
Circus Advanced 2	CM2-Term 5th-12th	There is nothing more exhilarating and beautiful as a circus with its soaring acrobatics, gravity defying feats, amazing aerialists and contortionists, mesmerizing illusions, breathtaking dance, moving music, and hilarious comedy. At Lone Star Circus, we take pride in our rich history as an eighth-generation circus family, as well as being the leader in Circus Arts through our culturally diverse performances in Texas and beyond. \$40 Show Fee payable in January. More info sent by LoneStar in spring.	Lone Star Circus	Thurs	5:00-6:00	500/semester
Circus Intermediate	CP-CE1 1st-2nd	There is nothing more exhilarating and beautiful as a circus with its soaring acrobatics, gravity defying feats, amazing aerialists and contortionists, mesmerizing illusions, breathtaking dance, moving music, and hilarious comedy. At Lone Star Circus, we take pride in our rich history as an eighth-generation circus family, as well as being the leader in Circus Arts through our culturally diverse performances in Texas and beyond.	Lone Star Circus	Wed	4:15-5:00	450/semester
Dance Hip-Hop	CP-CM1 1st-4th	Each child is taught according to their ability level. Activities include modern/jazz basics, hip-hop moves, teamwork. The class will be mostly taught in French to practice the language. It also includes a performance at the school pep rally (if students are ready) to boost their confidence and to experience presentation in front of an audience. Music activities will involve warm-up, balance, coordination, body awareness, space awareness, listening skills and fun. Parents are encouraged to attend the pep rally event for demonstration of their learning.	Sylisse Thai	Tues	4:30-5:30	\$265/semester
French Cooking	CP-CM1 1st-4th	The goal is for students to acquire the skills needed to compose small recipes that they can reproduce at home as well as learn to use utensils such as scales and measuring cups. In the process our students will also learn essential vocabulary around the covered themes. On occasions, students will bring home samples of what they cooked during class. This class will be conducted in French.	Homa Nabavi	Thurs	3:30-4:30	\$325/semester

Homework Help	CP-CM1 1st-4th	The Homework Help sessions meet right after school so that students can complete their homework before going home and benefit from explanations from their teachers. Students will be scheduled according to their own teacher's assigned time.	Grade level teacher	Tues	3:30-4:20	\$20/session
Mad Science	CP-CM1 1st-4th	The STEM Labs are designed to help our young scientists use their ingenuity to create, design and implement their newfound knowledge of the topic of the day. Each class is focused on hands-on activities.	Mad Science	Fri	3:30-4:30	\$265/semester
Stitch in Time	CE1-CM1 2nd-4th	This activity involves learning how to cross-stitch on plastic canvas as well as other techniques such as running stitch, popcorn stitch and French knot. The students will start with a simple square design with yarn colors of their choice. As confidence increases, other designs including hearts, flags, frogs, rainbows, fish, cats etc. can be completed. Finished projects can be made into magnets, bookmarks, added jump rings to hook onto backpacks etc.	Judith Peacock		4:00-4:45	\$285/semester
Circus Beginner	GS/K	There is nothing more exhilarating and beautiful as a circus with its soaring acrobatics, gravity defying feats, amazing aerialists and contortionists, mesmerizing illusions, breathtaking dance, moving music, and hilarious comedy. At Lone Star Circus, we take pride in our rich history as an eighth-generation circus family, as well as being the leader in Circus Arts through our culturally diverse performances in Texas and beyond.	Lone Star Circus	Wed	3:30-4:15	400/semester
STEM in French	GS/K	These STEM Labs are designed to help our young scientists use their ingenuity to create, design and implement their newfound knowledge of the topic of the day. Each class is focused on hands-on activities that allow the scientists to explore and develop individual creativity.	Marina Ave	Thurs	3:30-4:15	\$265/semester
Intro to Natural Movement	GS-CP K-1st	This Natural Movement workshop aims at developing children's natural innate movement patterns such as crawling, jumping, climbing, lifting, throwing, catching, and running. Your child will have fun, but they will also gain self-confidence and establish solid and efficient movement patterns, which are the foundation of any physical activity such as soccer, football, tennis, or martial art. Practicing natural movement is also a way to reinforce sensitive perception, proprioception, intellectual awareness, and reflexes. This class will be conducted in French. Private Piano	GS-CM1 K-4th	Children will divide their time between solo lessons on their respective instruments and learning music theory and music history. They will prepare a memorized repertoire and get to perform. Classes are taught by teachers from DIMATexas. Scheduling is handled directly by DIMA Texas.	DIMA Music	Mon Wed Thurs	3-6pm	\$50/lesson
Private Voice lessons	GS-CM1 K-4th	Children will divide their time between solo lessons on their respective instruments and learning music theory and music history. They will prepare a memorized repertoire and get to perform. Classes are taught by teachers from DIMATexas. Scheduling is handled directly by DIMA Texas.	DIMA Music	Tues	3-6pm	\$50/lesson
Ukulele	GS-CM1 K-4th	Children will divide their time between solo lessons as well as learning music theory and music history. They will prepare solo and duo memorized repertoire to perform in front of an audience in the DIMATexas Recital Series. Students will have access to beautiful recitals, fun festivals, and concerts, while developing their self-esteem and building confidence. Instructors are easy to get in touch with, via email or text, and are very responsive to the parent's, and children's specific needs. Children are taught easy lullabies, memorization techniques, reading skills, and lively rhythms to aid their learning. Soon, your children will be performing well-known melodies for all the family to enjoy. The most important thing is to make expressive, beautiful music, while having fun learning a new instrument!	DIMA Music	Mon	3:30-4:30	\$265/semester
A Trip to China	GS-CP K-1st	In this playful hands-on class led by our Mandarin teachers, our students will use their creativity and manual skills to build objects that reflect Chinese culture, sing and dance to Chinese tunes, play traditional games and, in the process, learn to speak Chinese.
