Dear Parent(s) of Incoming Kindergarten Students,

Each year we collect information from parents, preschool, nursery, and daycare providers regarding our incoming kindergarten students. The gathered information assists administrators and teachers with the development of well-balanced classrooms. As in previous years, we are using a common articulation form with our partners in the Fairfield County School Districts to collect this information. The accompanying forms were developed with help of the Connecticut State Department of Education and are based on the Connecticut Preschool Assessment Frameworks.

Please complete the attached forms by emailing or sending a paper copy to your child’s preschool, nursery, or daycare provider and have them complete it and email it back to **your school’s secretary**. Below you can find the appropriate contact information for your child’s school.

Thank you for your cooperation in helping us provide the best learning environment for your child. If you have any questions, please feel free to contact me, or Diane Peruzzi, at 203-255-8372 or via email at [JZavodjancik@fairfieldschools.org](mailto:JZavodjancik@fairfieldschools.org).

Sincerely,

James Zavodjancik, Ed.D.  
Chief Academic Officer
