PARKWAY PANTHER PRESS

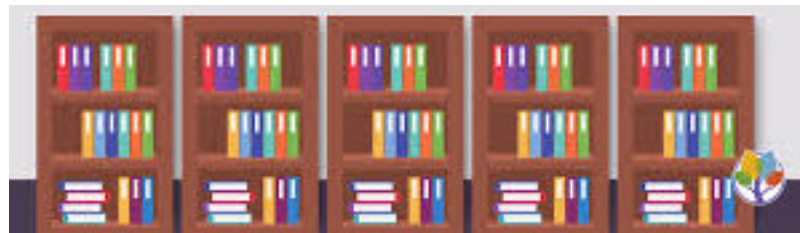

Sending the warmest wishes for a wonderful new year. As we ring in 2023, it is a great time to both reflect and to make new sustainable goals. Your Parkway family would like to wish you good health and prosperity as we continue to work together to support the students. Now is a wonderful time to review some structures and procedures to ensure that we work as a collective team to support the students' social/emotional and academic growth and development. Should you have any questions or concerns pertaining to your student, please reach out to your child's classroom teacher as they are the first step in the chain of communication. In the event that you need further support and/or the classroom teacher is unable to address your questions and concerns they will help connect you to

someone (the principal, the psychologist, the guidance counselor etc.) to help answer your questions and/or concerns. We value our home-school partnerships and we look forward to continuing to work closely with you in 2023.

Do you ever wonder what happens to your student's winter clothing, spirit wear and/or shoes/boots?

In the event that your student has misplaced their belongings encourage them to check in the classroom, in their locker and in the Lost & Found. The number of items in the Lost & Found is rapidly growing and in need of a good home. Please encourage your student to visit the Lost & Found located in the front hallway, outside of the main office to collect their belongings.

Volunteers Needed! If you are looking for an exciting opportunity, Parkway's Book Room is in need of a serious facelift. We have a lot of wonderful books that both the teachers and students use on a daily basis, but we could use some help categorizing, labeling and shelving our books so they are readily available for others to use. If you have a few hours to spare and you are interested in helping us rearrange and tidy up our Book Room, we would love to hear from you. The hours are flexible and the reading coaches will be available to help guide and facilitate the organizational process. Please reach out to Dr. Smith via email at: haydee.smith@gdrh.org or by phone at (414) 351-7190 ext. 2002.
