

# Your January program guide

---

I am very excited to announce that after a great deal of planning and consideration, ground has officially been broken as part of the first phase to install our very own Dek Hockey Rink!. The rink is being generously donated by the Jacob Roger Poulin foundation and should be completed in the Spring of 2023. The rink is being built in memory and honor of one of our own standout Ellington athlete Jacob Roger Poulin. We will look forward to hosting a variety of fun activities at the rink, if you or anyone you know has special skill or expertise in the sport of hockey please contact the Recreation Department so we can discuss programming possibilities.

Additionally, please help our department serve you better by completing our very brief satisfaction survey thats located Just below this message. The survey will help us identify and improve facilities and programs based on your feedback.

As always we appreciate your support and we wish you all the very best in the new year!

Dustin Huguenin  
Ellington Recreation Director

---

## We need Your Help!

We want to know how to better serve you and your family. Please take our very brief survey to let us know how we are doing!

## Thank you to our generous sponsors!

Please support us by supporting our many great in town local businesses! These vital sponsorships help to keep our program costs to some of the lowest in the area as well as support the recreational needs of families in need of assistance.

# ellington youth lacrosse

Our fast growing Lacrosse program is back again and registration is available for a limited time. Lacrosse clinics and league play is available from kindergarten all the way through 8th grade for both boys and girls. Registration closes on February 15 so register at the links below today to avoid any disappointment!
