Please note: The semester, period, and teacher for each class will be assigned randomly by our automated scheduling system. We are not able to honor requests for specific periods or with specific teachers.

Course selection at West is a carefully arranged series of steps progressing from January through June. Every effort is made to honor your requests. Counselors will make schedule changes based on the following guidelines:

- Conflicts appearing because of a computer error.
- Changes needed to meet a graduation requirement.
- Failure of a prerequisite course.
- Changes required for the health of student (doctor’s documentation necessary)
- Successful completion of the course in summer school.
- Inappropriate placement as determined by teacher, counselors, administrator with parent consultation.
