

# HOW TO ACCESS STUDY GUIDES

As a teacher, you can provide students access to a detailed study guide to help prepare them for the cumulative final assessment.

## What is the study guide?

CareerSafe provides study guides for all students for free. Study guides are always located within the course and can be viewed either online or downloaded to a PDF format directly onto your computer. Study guides are customized for your specific course, and cover material you are likely to see on the cumulative final assessment. It is highly recommended that you thoroughly review the study guide available to you.

## Where to find the study guide:

Your CareerSafe study guide can be found in the "Study Guide" tab within the course. To get here:

1. First, [login to the CareerSafe Campus](#) with your unique student login credentials.
2. Under the section titled "Courses I Am Taking," select the CareerSafe course you are currently enrolled in.
3. Once the course opens, navigate to the tab "Study Guide" located on the left side of your screen. (For mobile users, the tab will be under the mobile menu on the top left side of the screen.)

## Study Guide: OSHA 10-Hour Culinary Industry Course

### How to Use this Study Guide

This Study Guide contains key teaching points covered in the course. It lists each topic contained within the 10-Hour course broken down by module. Each module contains Knowledge Keys which summarize key information from that module. It is recommended that you review this Study Guide before taking the final course assessment.
