Students and Parents have 5 options for providing a **Tax Return Transcript** to the Office of Financial Aid:

Option #1 - Log back on to your FAFSA to Utilize the IRS Data Retrieval Tool

By using the IRS DRT you are transferring your tax information from the IRS to the FAFSA.

If successful, an updated FAFSA will be sent electronically to the College, and may fulfill your Tax Return Transcript requirement.

Note: *Students who are providing parent(s) information will be asked to first link parent(s) tax information prior to providing their own.*

- Go to studentaid.gov and click 'FAFSA Form' then click 'Complete the FAFSA form' and select 'I am the student and want to access the FAFSA form' click 'Log In to Continue'
- *****Please Note- studentaid.gov is NOT compatible with Internet Explorer. You must use Chrome, Firefox, or Safari Web Browser. *****
- Log-in using your FSA username and password
- Click on 'Edit FAFSA Form' click continue and then create a 'Save Key'
- Under the FAFSA Form Sections click on either the 'Parent Financial' or 'Student Financial' section
 - Click 'Link to IRS' to go to the IRS site
 - Follow the prompts to transfer your tax information onto the FAFSA
 - *It is best to have your **2021** Tax Return with you as you complete this information
- Next enter your wages from your **2021** W-2s (this information will not transfer)
- Electronically sign the FAFSA with your FSA ID and Password
- Submit the FAFSA in order to process the new corrections

Option #2 – Online Request to Receive an Immediate PDF of Your Tax Return Transcript

As long as you have a government issued ID you can locate one nearest you to get a copy and they're FREE. Go to <https://apps.irs.gov/app/officeLocator/index.jsp> and enter your zip code and select the mile radius. Please be advised of their office hours and that all offices are closed for Federal Holidays.
