2020-2021 School Improvement Plan

**Literacy Goal**

Teachers will utilize between three and five Kagans structures weekly to engage their students. We will work together monthly to identify effective structures and learn how to implement them. Teachers will document their use of Kagan structures through an online form.

**Achievement Gap Goal**

All students identified to be in the lowest quartile on the Beginning of Year assessment will make typical or above typical growth as identified by the Reading Inventory (RI) and/or the Acadience Pathways to Progress on the Middle of Year and End of Year measures.

**Culture Goal**

Each day will start with a school-wide morning greeting including a mindfulness activity lead by the school administration. Each day students will also participate in a mindfulness activity in their classrooms led by their teacher.
