

Student Learning Experienced Differently

Cumberland County Schools' Non-Traditional Instruction Program

# GRADE LEVEL: 6

A TOTAL OF THREE ACTIVITIES SHOULD BE COMPLETED FOR EACH DAY.

## SLED DAY #4

<p><b>ONLINE OPTION</b> Students will log into IXL (www.ixl.com) and complete THREE new lessons to 85% in one of the following subjects of their choice:</p> <p>Lessons must be completed on Grade Level.</p> <p style="text-align: center;"><b>Language Arts</b> <b>Math</b> <b>Science</b> <b>Social Studies</b></p>	<p><b>ENGLISH</b> As a contest for Earth Day, your school has teamed up with Mammoth Cave National Park to hold a writing contest about ways to preserve the environment or easy ways to recycle. The winning articles written for the contest will be published on the park's website! Essay requirements are four paragraphs minimum, using correct spelling, grammar, and punctuation.</p>	<p><b>SOCIAL STUDIES</b> On a sheet of paper, describe the lifestyle of early people in the paleolithic and neolithic ages. What were the advantages and the disadvantages?</p> <p style="text-align: center;"><b>OR</b></p> <p>Watch CNN10, a news channel, or read a news article in the newspaper or a magazine. Provide a summary about the current events you learned about. Will any of the current events affect you or not? Explain. (Write at least two paragraphs).</p>
<p><b>MATH</b></p> <p>Will is trying to gain weight for his upcoming fight. He has only two weeks to gain 10 lbs. What type of graph would be used to chart his weight gain over the next two weeks?</p> <p>If it takes Sarah 2 hours and 15 minutes to ride her bike 15 miles. How long will it take her to ride 75 miles?</p> <p>Chris walks <math>2\frac{2}{11}</math> miles a day for 3 days and then he walks <math>3\frac{5}{11}</math> miles the other two days. How many miles did he walk in five days?</p>	<p><b>SCIENCE</b> Weather is the daily atmospheric condition of a specific area at a certain time. Climate is the average weather conditions of an area over a long period of time. Write a paragraph describing the weather and climate at different times of the year, for your home state.</p>	<p><b>RELATED ARTS</b> Practice your coding skills with <a href="https://hourofcode.com/us/learn">https://hourofcode.com/us/learn</a> . Explore the games on this website for at least 30min. Each game will explain how it is played with a video or with written directions. It is very important that you read/listen to the directions for each stage of the program. The programs start out simple and get harder. Coding is all about persistence, it is supposed to be hard enough it takes a few tries. Each game has levels, try and beat them all!</p>
