- I. Welcome – Chair – Lori Ann Berg Motioned to start, Emily Summerhays 2nd
- II. Approve Minutes from Previous Meeting – Lori Ann Berg Unanimous
- III. Report from Town Hall Meeting with Gov. Cox – Lori Ann Berg Lori Ann can add a link to the Town Hall meeting notes for anyone who would like.
- IV. Misc. Business:
 - A. Doug went over the budget and what needs that could be funded with leftover funds. We discussed how there is a need for the school to save these funds to be used for TA's for the upcoming school year, since we won't have the covid funds that helped pay for the ESSER TA's. It has had a positive effect in our school & teachers to have these TA's helping. Lori Ann Motioned to saves those funds; it was unanimous
 - B. Loving the kindness Club in conjunction with Stars and Cool Colts and how it ties into the SEL program. Doug went over the SEL and shared how he went through, along with three teachers and Linda Flynn (counselor), to rate our school on where we are with the SEL program. Asked that the community council members look over the assessment & give our opinion on how we can implement these skills in our school with the students. Discussed how we need the community to be on board with SEL, so that these crucial life skills can be reinforced at school, instead of just being taught there.
 - C. Doug went over Snow Horse's proficiency growth report. 3rd-6th grade had a nice jump with our growth with proficiency. He feels this is due to Tier 1 instructions (WAY TO GO TEACHERS!!!!)
 - D. Lori Ann asked if we could get a math coach to help w/ math proficiency. Doug shared how we need to first address how we are teaching and how the instructions are implemented. Will come back to this item of business at a future meeting.
- V. Adjournment – Lori Ann Berg motioned to end and Jennifer Rodda 2nd
*****No meeting in December. Next meeting is Monday January 9th@3:45 P.M.
