

**Cambridge
Elementary School**

January 6, 2023

On Tuesday, January 10th, there will be no **afternoon transportation for Denee's bus #4**. If your student rides Denee's bus **in the afternoon**, please make other afterschool arrangements.

UPCOMING SCHOOL CLOSURE: Monday, January 16, in observance of Martin Luther King Jr. Day

It was wonderful to return to NCAL this week after our holiday break. NCAL is filled to the brim with adorable kittens and this week's volunteers had the opportunity to spend time with a dozen of them! Wesley Allen, Charlie French, and Madison Wyckoff helped the shelter tremendously by folding laundry, sweeping, and loving up the babies. Great job everyone!

Cambridge Elementary Early Childhood Program Preschool Developmental Screening

Will your child be turning 3 or 4 by September 1, 2023? Cambridge Elementary Early Childhood Program invites families with eligible preschool students to call 802-521-5601, to make an appointment for a developmental screening.

Who: Community of Cambridge/Jeffersonville children (ages 3 and 4 by September 1, 2023)

Where: Cambridge Elementary School/ Preschool

When: Thursday, February 16th First Session: 1-2 pm Second Session: 2-3 pm

How: Contact Beth Brown or Diane Adams (802-521-5601), **no later than 2/3/2023**, to reserve a time for your child. Screenings will take approximately 60 minutes. During this time, parents will fill out a brief developmental questionnaire about their child while educators interact with the children to gain information about each child's development in the areas of speech and language, social/emotional, motor, and cognitive. This is also a time for parents to ask questions about their child's skills and about our preschool program. **Please bring your child's birth certificate, proof of residency and up to date immunization.**

Dear CES Families,

I am very excited to announce that it is officially time for the **CES Wildcat t-shirt and sweatshirt fundraiser**. This year's sale comes later than usual, but I can share with you that with great certainty that good things come to those who wait!

This year's sale is a REALLY big deal for a couple of reasons. For the first time ever, customers can order online and pay by credit card! Thanks to the brilliant minds of Jeremy LaClair and Faith Horton, we are now living in the modern world when it comes to fundraising! Please be assured that you can still order via a paper order form and pay by check. Please see the attachment for all of the important details. Another exciting thing about this year's t-shirt sale is that we have a second paw print image that you can select. This image was created by one of our second graders!

Our shirts are printed by Pumpkin Harbor Designs located in Cambridge!

All proceeds benefit the CES activity fund which helps to fund student enrichment opportunities across our school such as field trips and artists in residence programs.

Orders on next page are due by Friday, February 23.

Thanks in advance and Go Wildcats!

ANNUAL CES T-SHIRT *Sale*

WHAT?

This year, you can pick one of two designs: *The Original Wildcat* design adorned with a student-created Wildcat or a new *Paw Print* designed by one of our aspiring graphic designers in 2nd grade.

WHY?

All profits from this fundraiser will benefit our activity fund which helps to pay for enrichment activities for our CES students.

WHERE?

We just opened our first CES online store! You can order online by visiting this website <https://cambridgewildcats.square.site/wildcat-apparel> or find the "Online Store" button on our [CES website](#). Additionally, you can scan this QR code.

If you prefer to not use our online store, you can [download this order form](#) and return the form with payment to the main office no later than Friday, 2/23/23. If you need a paper copy of the order form- ask our front desk staff or a teacher.

WHEN?

Please place all shirt orders online by **Thursday, 2/23/23!** Shirts/Sweatshirts should be available for distribution in March.

CES Jr Iron Chef journey update!!

Jr Iron Chef teams at CES are a new opportunity that was offered to 6th graders. This year we welcome our first ever teams coached by Kelly Shortsleeve and Holly Simpson. This group of 6th graders is just the first of MANY teams to come in the following years!

We look forward to offering this opportunity to future 6th graders annually.

Yesterday, both teams met in the school kitchen to learn about knife safety, fire safety, communication in a kitchen and sanitation. After the meeting, they quickly moved onto mastering steps into their competition recipes.

Team WildCooks has decided they will be making a Vegetable Curry over Jasmine Rice and Team These Cats Are Cook'N decided on a Fried Lasagna Roll Up with a Ricotta Butternut Squash Filling. These may be adjusted as we move forward.

Thank you for following our journey,
Holly and Kelly

Transportation Announcement:

Due to the current shortage of bus drivers, transportation changes for your child may be denied. We are asking that if you want to send your child on a different bus, that you notify the school by 8am to Beth Brown at BBrown@cesvt.net. This will allow us the time we need to check for available space on a bus. If your request is denied, you will be notified as early as possible.

➤ Grades K-5 Family Tips

Help Boost Kids' Safety, Privacy, and Security

When kids start to go online, whether they're playing multiplayer games, using educational apps, or just following their curiosity on Google, it's important that they understand the basics of online privacy and safety. With some general guidelines around what information is and isn't OK to share, and some help from parents when they're unsure, kids can have fun and learn a lot in the digital world.

Check out these 5 tips 📖

1

Discuss personal vs. private info.

Talk about the difference between what's OK to share online (favorite color) and what's not (home address).

2

Use privacy settings.

Together, go through the settings on all new apps to make sure you both know what information your kids are sharing. Especially in the beginning, it's better to share very little.

3

Avoid location tracking.

Location-aware apps can be super helpful. But apps that use a device's location to help people find your kid or offer them ads for nearby businesses should be used with caution. Turn them off if you can.

4

Power up passwords.

Work together with kids to help them come up with complex passwords. Think outside the dictionary. Use phrases and special characters that make passwords hard to guess but easy to remember. Remind kids to keep passwords private and change them regularly.

5

Skip quizzes.

Help kids identify and avoid clickbait, quizzes, special offers, and anything that asks for personal or private information. This helps keep information secure and devices safe.

You can still get free at
home Covid-19 tests

[https://special.usps.com
/testkits](https://special.usps.com/testkits)

Covid-19 on site testing can no longer be provided
Yesterday, the Vermont State School Nurse Association
(VSSNA) verified that administering diagnostic tests (including
Covid-19) without a medical provider's order is outside the
scope of practice of school nurses.

So, I will no longer be able to administer testing at school.
Rapid tests will still be available to take home
Since I only have a finite supply, the tests will be limited to
those with symptoms.

KEEPING CES HEALTHY

If your child is sick please keep them home.

The CES "sick kids stay home criteria" is:

fever within the last 24 hours

significant cold symptoms including a cough and runny nose

Any kind of rash

Antibiotics within the last 24 hours

If your child has a mild residual cough, it is helpful to all if they wear a mask

Masking is not required but we support anyone that chooses to wear one to protect themselves or others

if your child has Covid like symptoms, testing can prevent transmission to others

If they test positive, isolation for at least 5 days is required.

Notify the school. We are still required to report cases to the Department of Health

Day 0 is the first day of symptoms or positive test, whichever happens first

Isolation can end after day 5 if fever free for 24 hours without fever reducing medication and feeling better.

It is highly recommended to mask through day 10.

Please notify the school if your child has Covid-19.

Karate Kids (ages 5-10)

The Karate Kids Program is designed specifically for children ages 5 through 10. The emphasis is on gross motor skills and activities that are developmentally and age appropriate. Students engage in physical activities that work on balance, coordination, fitness, flexibility, speed, timing, and power skills, along with traditional martial arts movements. Mount Mansfield Martial Arts students understand that the goal of self-defense is to prevent harm, not hurt others. We emphasize that our program uses martial arts techniques to teach social skills such as cooperation, taking turns, sharing, listening, and teamwork. Through training, students work on goal setting and achievement by progressing through our curriculum and obtaining colored belts and stripes. We also integrate a character development program into our classes that reinforces respect, self-control, self-discipline, focus, courtesy, integrity and confidence. Through positive feedback, overcoming challenges, mastering responsibilities and achieving goals, students at Mount Mansfield Martial Arts can become the leaders of tomorrow.

Jr. / Adult Class (All Ranks – ages 10+)

This class follows the Adult Solid Belt system. The class is faster paced and more technically and physically challenging than our Karate Kids program. While the emphasis is primarily traditional martial arts students also delve into Wude (Martial Ethics), modern Self-Defense and physical conditioning. Most importantly, it is still fun. This class is also a great opportunity for the whole family to train together.

Wednesdays - At Cambridge Community Center

- Karate Kids (stripe belts) 3:00 - 3:45 P.M.
- Jr. / Adult (solid belts) 4:00 - 4:45 P.M.

The snow is flying and so are the punches and kicks in the dojang. Now offering classes on the weekend! There is no better way to stay warm this winter then by training in taekwondo!

Cambridge Martial Arts Academy (CMAA) is an independent school training in the traditional Korean martial art of taekwondo. CMAA promotes self-esteem, self-confidence, character development and provides students a physical outlet in an educational and controlled environment.

CMAA is a family oriented school; welcoming all people of good character, regardless of age or ability.

We offer structure and discipline for both children and adults in order to promote a healthy lifestyle through the art of taekwondo.

CMAA promotes the tenets of taekwondo: courtesy, integrity, perseverance, self control and indomitable spirit! Our mission is to forge leaders, inspire our students to achieve their personal best, while fostering positive relationships with teammates.

Training is every Tuesday and Thursday 6pm - 7pm at the Cambridge Elementary School gymnasium. Starting January 15, 2023 we will be offering additional classes on Sundays 8am-9am! For more information email: cmaatkd@hotmail.com or visit <https://www.facebook.com/cmaavt>
